## GAOL FOR PRINCIPALS IN OBSCENE PLAY

New York Jury Convicts Nineteen in Stage Clean-up

New York, April 20.—Mae West, who starred in the play "Sex" for 270 nights on the Great White Way, today was sentenced to three months in Market prison and contemplated a nine-day stay in the workhouse on Welfare Island, serving with a mop up in the workhouse laundry, the while she gathers material for a play.

At 4 o'clock yesterday afternoon, Miss West, with her co-producer, Clarence W. Morgan, Stern and James A. Timoney, co-author, had completed the first of a ten-day sentence imposed this morning for staging an obscene production.

The actress was detained in the Jefferson Market prison pending her transfer to the Welfare Island workhouse. Before being finger-printed this morning, she said she would probably write a play based on her workhouse experiences, but supposed it will have to be O.K.'d by the learned district attorney before it can put it on.

Morganstein and Timoney are to serve their sentences in Tombs prison. In addition to meeting out the prison sentences, Judge George L. Donnellan sitting in general sessions, fined Miss West and Timoney each \$500. Nineteen actors and actresses, convicted of taking part in the play received suspended sentences.

"Sex" was one of the play-raided in a stage clean-up two months ago by the district attorney and the city authorities. The others were "The Virgin Man" and "The Captive". Producers of "The Virgin Man" received ten-day sentences in the workhouse and the actors were let

## Bladder Weakness Getting-Up-Nights Quickly Relieved!

Pleasant Home Treatment Works Fine; Used by Doctor For Many Years

What a wonderful comfort it is to sleep all night and not get up once from Bladder Weakness and Irritation.

The daily annoyance, restless nights of misery, backaches and nervous irritability that result from Bladder Troubles, are wrecking the lives of thousands who might otherwise be in the best of health.

To be at your best, you must have peaceful, health-giving sleep—and freedom from daily irritation—that's why Dr. Southworth's URATABS give such wonderful satisfaction.

Made from a special formula and used in the Doctor's successful private practice for nearly fifty years—URATABS, now obtainable from your druggist for inexpensive home use, have brought quick help and comfort to many thousands.

No matter what your age may be or how many medicines you have used without success, if you want to forget your bladder troubles and enjoy the rest of peaceful, unbroken sleep, try URATABS to-day. Your druggist will refund the small cost if you are not well pleased. (Adv.)

## CAN VICTORIA MATCH THESE?

BEATRICE ROBERTS

OLIVE BRADY

Here are two prize beauties picked out by Ned Wayburn after examination of hundreds of entries. Their proportions and measurements are noted on the pictures.

Next week Victoria will set out to pick this city's most beautiful girl. It will be done at an elimination contest, to be held all the week at the Dominion Theatre.

"Miss Victoria" will be the title conferred on next week's winner. She will go to the Western beauty finals at Vancouver to compete for one of the two "Miss Canada" titles. Two "Miss Canadas" will be sent to represent this country at the international pageant of beauty at Oakeside next month, where the beauties of a dozen foreign countries and forty-two from Canada and the United States will compete for the title of champion beauty of the world, and a \$2,000 prize.

## Visiting Teachers Accorded Reception

The Provincial Government and Department of Education were joint hosts last night at a reception held in the Parliament Building in honor of the visiting school-teachers of the Province, who are here for the convention now in progress. A number of the members of the House were present, and also Dr. S. J. Willis, Superintendent of Education, and Mrs. Willis.

During the evening the visiting party, which numbered nearly 600, visited the archives and inspected all the valuable documents and historic relics. Refreshments were served in the reading room of the library, while an orchestra was in attendance.

## DENTAL CONVENTION OPENS TO-MORROW

Mayor J. Carl Pendray and Dean Quainton Will Welcome Delegates to City

The big three-day conference of the British Columbia Dental Association will open to-morrow morning at the Empress Hotel with Dr. W. N. Gunning of Victoria, president, presiding. Over 200 delegates from the chief cities in British Columbia, Washington and Oregon will come for the conference.

To-morrow morning the delegates will be officially welcomed to Victoria by Mayor Carl Pendray and Dean Quainton.

The session to-morrow evening will be open to the general public. Dr. W. J. Lee of Vancouver, will speak on the subject of "Food in Its Relation to Tooth Decay," and Dr. H. L. Pallen, who has charge of the school clinics in Vancouver, will discuss "School Dentistry."

## VANCOUVER WOMAN TO HEAD GRADUATE NURSES OF PROVINCE

Miss K. W. Ellis of Vancouver Chosen President; Interesting Papers

Miss Kathleen W. Ellis, superintendent of nurses at the Vancouver General Hospital and former matron of the Esquimalt military convalescent hospital, was unanimously elected president of the B. C. Graduate Nurses' Association, which closed its annual meeting with a banquet at the Empress Hotel last evening.

Mrs. M. E. Johnson, the retiring president, was presented with a beautiful bouquet of Ophelia roses, accompanied by an expression of appreciation of her efficient services in that office for the past two years.

Other officers were chosen as follows:—First vice-president, Mrs. M. E. Johnson; secretary, Miss M. Campbell; public health section convener, Miss Jeffrey; councilors, Miss E. G. Breeze, Miss Dutton, Miss Morrison and Miss Scott; registrar, Miss Helen Randall, Vancouver; convener of private duty nurses, Miss McLean.

## SOCIAL HYGIENE PROBLEMS

At the afternoon session, Rev. H. T. Archibald spoke on the subject of "The Social Evil in Its Relation to the Problem of the Child." He touched upon the tragedy of the situation in that its consequences found innocent victims in children of the third and fourth generation, and deplored the attitude of mind which refused to admit its existence. While the public endeavored to evade the issue by hushing it up because it knew the social evil to be wrapped up with the underlying moral side of life, yet people quite unconcernedly went to see pictures which played with the moral question, presenting a most degrading aspect of love and marriage.

The problem was one which must be met by tackling the mental attitude, the speaker continued, by overcoming inherent prejudice, ignorance and prudency. The teaching of the highest religious conception of the sacredness and the holiness of life, and the strengthening of the public conception of morality, would help to solve the problem. Education by parents of the young people was advocated.

## MENTAL DEFECTIVES

On the subject of mental hygiene, Mr. Archibald spoke of the field open to the psychiatric nurse, in dealing with the problem of the highly nervous child.

With the idiot and the imbecile, the problem was largely solved because they were institutional cases, but the higher grade defective proved an appalling danger because their mental state was not apparent to the layman. Mental deficiency meant so much moral deficiency, but the speaker averred that he was unable to see a solution, to this very great social problem.

Dr. H. W. Hill, of the University of British Columbia, told the gathering of the new diptheria immunizer, "Toxoid," explaining its properties and purposes.

## BUDGET REPORT

Hesitation to allot the necessary \$500 to the proposed scholarship scheme was expressed by the newly-appointed budget committee in presenting its report. While expressing sympathy with the proposal, the committee showed that the estimated income for the ensuing year was placed at \$6,500 and expenditures at \$6,004, leaving a balance of \$496, plus \$500 interest on bonds. This committee recommended that suitable office accommodation be found, and the meeting appointed Miss Miffield, Miss Randall and Miss Ewart to seek for same.

At a closing banquet there was community singing and solos by Miss Griffin, one of the graduate nurses, accompanied at the piano by Miss Murray, and duets by Frank and

outcome of the committee's deliberations, Herbert H. Ramsay, secretary of the association, forecast a verdict would be reached to-day, when the committee would resume consideration of the case.

Opinion in golfing circles was that Miss Browne's prompt denial of a report that she had accepted a position as tennis instructor at the New Westchester Women's Golf and Tennis Club, would have an effect on the committee's ruling.

Miss Glenna Collett, one of the founders of the West Chester Club, joined Miss Browne in denying the former California star's appointment. She said the position had been offered Miss Browne, but that the latter had not made a reply.

## DR. THOMAS "SUNSHINE" MEETINGS

In the Chamber of Commerce Hall

Subject To-night, 8 o'clock: "The Story of Self-Mastery, or Discard Your Pains and Aches"

Subject To-morrow Afternoon (Thursday), 3 o'clock: "The Truth About the Food Question, or Enjoying Good Food and Remaining Well"

## FINE REPORTS HEARD BY PRESBYTERIANS

Finances Sound and Work in All Departments Shows Progress

Reports presented by officers and members of the various provincial departments constituted the principal business of this morning's session of the Provincial Women's Missionary Society of the Presbyterian Church of Canada.

**FINANCES SATISFACTORY**

Mrs. M. Robson of Vancouver presented the financial statement showing receipts as follows: Kamloops, \$266.64; Kootenay, \$339.49; Victoria, \$1,455.42; Westminister, \$3,150; balance in hand, \$9.05, making a total of \$5,411.51. Disbursements included \$5,100 to the general treasury, and after other expenses were paid a balance of \$144.01 was left on hand. At the close of the report Mrs. Robson was warmly thanked for her efficient work in this office. As convener of the Welcome and Welfare Department, Mrs. McInnis of Victoria told of the difficulties encountered in this branch owing to the disruption of 1925, many new comers to the country not understanding the changed conditions in the church. She suggested the inclusion in the literature of a pamphlet giving the status of the Presbyterian Church in Canada, and to which suggestion Mrs. Pillar responded by showing the gathering a booklet prepared for this purpose and giving the latest statistics of the church.

### LITERATURE AND SUPPLIES

Mrs. Harry White for the Library Committee reported much literature and many books distributed in missions, hospitals, Sunday schools in the outlying districts. There had been many requests for books as the nucleus of libraries in isolated places. Mrs. R. B. McGill of Vancouver told of the work of the supply department. Hospital supplies, household and other gifts from the auxiliaries had given a helping hand to many who were in need. Mrs. McGill recorded the sum of \$585.75 had been contributed to the work of this department.

### LIFE MEMBERSHIPS

Mrs. G. F. Smith of Vancouver told of the life membership department, with a total of 106 life membership in the Province. The Home Helpers report was presented by Mrs. J. E. McKenzie of Westminister, showing an increase of 145 in the number of helpers and in the subscriptions to Glad Tidings, the W.M.S. organ.

Mrs. Robert Sutherland of Vancouver gave the press secretary's report, and Mrs. H. H. Urquhart of Vancouver presented the literature and Glad Tidings report.

### OFFICERS ELECTED

Officers for the ensuing year were all re-elected as follows: President, Mrs. Henry Pillar; vice-presidents, Mrs. G. W. Ledingham and Mrs. W. L. Clay; corresponding secretary, Mrs. W. J. White; recording secretary, Mrs. F. C. Bird; treasurer, Mrs. M. Robson. Secretaries of departments were chosen as follows: Mission Band, Mrs. W. J. Dow; C.O.L.T., Mrs. H. J. Barry; Y.W. Auxiliaries, Mrs. J. K. McLennan; costume secretary, Mrs. J. A. Wilson; welcome and welfare, Mrs. W. H. McInnis; library, Mrs. Harry White; life membership, Mrs. G. S. Smith; supply, Mrs. R. B. McGill; Home Helpers, Mrs. J. E. McKenzie; press, Mrs. R. Sutherland; literature and Glad Tidings, Mrs. H. H. Urquhart; advisory committee, Mesdames Pillar, T. Wilson, D. A. Smith, J. D. Currie, G. Ellis and Mrs. A. A. McKinnon of Kootenay Presbyterian, Mrs. W. A. Wylie, Kamloops-Okanagan, Mrs.

James Hérd, Westminister, and Mrs. J. Cotsford, Victoria.

Mrs. R. M. Thomson was convener of the resolution committee, and Mrs. G. W. Ledingham of the nominating committee. Mrs. Thomas Wilson of Vancouver conducted the devotional exercises and Mrs. Macpherson of Victoria gave the dedicatory prayer.

## ALBERTA SCHOOL LAW UPHOLD BY COURT RULING

(Continued from page 1)

Justice of the Peace, stating that as the result of certain negotiations looking to the transfer of the public land within Alberta to that province, now vested in the crown and administered by the Government of Canada for the purposes of Canada, an agreement was entered into on January 9, 1926, between the Governments of Canada and the Province of Alberta whereby it was agreed certain provisions of the Alberta Act should be modified to the intent that all crown lands, mines, minerals and royalties payable for such lands, mines, minerals or royalties should, from and after the coming into force of the said agreement, belong to the province, subject to any trusts existing in respect thereof and to the several other terms and conditions particularly set forth in the agreement.

### ADDITIONS MADE

"Subsequently, the two Governments agreed upon certain additional provisions to be inserted in the agreement regarding the transfer of lands, to the effect that certain specified school lands, to parks and forest reserves affected by the agreement, the Hudson's Bay Company. Notice was given by a resolution that a bill would be introduced in Parliament at its present session, to approve and give effect to the agreement as so modified, but a question having been raised as to the constitutionality of Section 17 of the Alberta Act regarding the subject of the education and schools within the province, it was decided not to proceed with the proposed legislation as drafted until this question of doubt could be settled.

### ARGUMENTS HEARD

"In accordance with the directions which were subsequently given, pursuant to the rules, the Attorney-General of Saskatchewan and the Attorney-General of Alberta received notice of the hearing and neither of them filed a factum, although it was expressly directed each might do so and each of them announced his intention to appear, but not to take part in the argument. The Attorney-General of Canada, represented by counsel, filed a factum maintaining the enactment of the Alberta Act, and the court, in exercise of its discretion under Section Five of Section 60, requested Mr. Chrysler, K.C., to argue the case in opposing the view submitted by the Attorney-General of Canada and the hearing was postponed to afford adequate time for preparation. The difficulties in the way of the opposition were very great, as will be presently appear, but it was needless to say that any interest, whatever it may be, which is concerned to have section 17 of the Alberta Act pronounced invalid can have no cause to complain that Mr. Chrysler did not exhaust the legitimate resources of advocacy in support of his case."

### EPIDEMIC REPORTED

Little Rock, Ark., April 20.—Epidemic of measles, mumps and whooping cough, have broken out in flood refugee camps at Wynne and Parkin, Arkansas. There are said to be 250 cases each of measles and whooping cough and fifty to seventy-five cases of mumps.

Little Rock to-day experienced the heaviest rainfall in months. Within four hours the fall had amounted to more than four inches. Streets became raging rivers, in every low place and many parts of the city were flooded.

## PSYCHOLOGY GIVES TEACHERS AID IN TRAINING PUPILS

Mrs. J. B. Wyman of Vancouver and Dr. E. P. Cubberley of Stanford Give Addresses

Present day psychology was the subject of a discussion by Mrs. J. B. Wyman of the University of British Columbia, before the High School Convention at the High School auditorium. Following comments upon false, false ideas, and a score of coughed-in terms of canonic wit, Mrs. Wyman showed that true scientific psychology is attaining a steadily increasing importance in the schools. Mental and educational tests have been improved and revised until real value is being obtained in ascertaining the progress of pupils.

Dr. Elwood P. Cubberley dealt with "Education as replacement and development," pointing out that progress is essential to continuance of progress, and modernization replacement formed in a steel mill is also to be found in the educational world. "I do not say we should do more for children, some say we do too much. What we should do is equip them with the tools to enable them to do things for themselves," he said.

### COMMON SCHOOL BULWARK

He referred to the influx into North America of population from southern and eastern Europe, not trained in Anglo-Saxon civilization, and the widely-held fear that this change in population will cause a let-down in the standard of civilization.

"The one great bulwark we have is that tenth which is the common school. The child who comes to school, without early home training in obedience and certain ideas, gives the teacher a much greater burden."

### THE SAVING GRACE

One-fourth of the population in the average community is in school, one-tenth is generally to be found continuing in higher education. It is this tenth which is the saving grace of the community. That one-tenth is the most important part of the school population. When a great doctor or leader dies, his passing is a loss to a wide circle, while the death of the common man is only a loss to his immediate circle.

### HARD TO FIND

"If our civilization is to continue we must replace those men, provide others to carry on their labors," he said, touching briefly on the replacement of common labor by machinery.

"The more you release a people from muscle labor, and free men from higher work, the more costly must your educational system become. This is necessary to ensure that those who are called upon to fill our shoes shall not piddle around in them," said Dr. Cubberley.

### INVESTING SURPLUS

There are communities where the schools are sliding backward, others holding their own, and here and there we find communities where the schools are outstanding for excellence, because the administrators are ploughing back a large share of the community's resources into developmental work.

"Every community faces the problem of replacement, yet that is merely holding one's own. You must advance, or you go backward. Communities which are not developing their school systems, are not advancing in business or other ways. It is up to us to pass on the torch which was committed to us," he said in closing.

### FRIENDLY GREETINGS

Greetings were presented from the Ontario Secondary School Federation, now in session at Toronto.

Secretary Charlesworth reading a telegram. Other messages were received from the Alberta Teachers' Alliance, The Canadian Teachers' Federation and the North Vancouver District School Board.

## VANCOUVER TORIES JOIN MOVEMENT TO BRING BACK BOWSER

(Continued from page 1)

and leader of the Conservative Party, and present to him the big petition from the citizens asking him to return to public life and run in the next election as a candidate in Victoria.

Mr. Maynard, who is a former Royal Engineers man, was regimental sergeant-major of the 88th Battalion and when he went overseas was regimental sergeant-major of the 75th. He won the D.C.M., M.C., and Croix de Guerre. Since the war he has been prominent in returned soldiers' organizations here and is honorary sergeant-major of the Fouranex, the secret veterans' society.

## IN U.S. STORMS AND FLOODS KILLED 100

(Continued from page 1)

A school near Cornland was razed and pupils blown into a nearby field, but only three were injured.

### VILLAGES LEVELLED

Cornland and Buffalo Heart virtually were levelled. At Cornland two grain elevators were all that remained standing. Starr Centre in Calhoun County, where the storm struck first in Illinois, was flattened. Roads in many places were impassable, due to fallen trees across them.

### MISSISSIPPI FLOODS

A picture of widespread destruction in portions of the Mississippi Valley was painted to-day in reports coming in from areas where the Mississippi and its tributaries were running rampant over millions of acres of fertile soil.

Driven from homes and possessions, thousands of persons were rescued on levees in need of food and shelter. Scores have perished in the flood waters. The exact number may never be known, as there is no way to check the families of tenant farmers in many sections.

## Forestry Expert Asks the Aid of Rural Teachers

Chief Forester F. Z. Caverhill this morning appealed to the rural section of the Teachers' Convention to advance forest protection, and reinforce active work for the success of "Save the Forests Week" with continued interest in forest protection through the year.

Mr. Caverhill declared erroneous ideas that the forests of British Columbia are inexhaustible. If this Province were called upon to supply the demands of the United States, the whole forested area of the Province would be denuded in ten years, while replacement takes a century.

"The young growth of natural reforestation is fine potential timber reserve, ideas that this second growth is valueless being incorrect."

## DUNCAN MEMBERS PRESENT RESOLUTION

A resolution asking that the Provincial Government prohibit all commercial vehicles up to a certain tonnage from running over the Malahat until such time as the road has been widened and made safe for everybody was presented by the Duncan members of the Victoria branch of the Automobile Club of British Columbia at the luncheon meeting of the club held in the Chamber of Commerce to-day. The resolution was signed by forty-three members from the Duncan district.

The majority of the Victoria members present at to-day's meeting were of the opinion that if the Government would guarantee the Malahat would be properly policed, it would be possible for the stages and other commercial vehicles to operate over the Malahat without great inconvenience.

## JUBILEE GATHERING WILL MEET TUESDAY

A meeting of the Citizens Committee of 111 in charge of the Diamond Jubilee celebration has been called for next Tuesday at 8 p.m. to take place at Sons of Canada Hall, View Street, George Edgar Hutchinson announced to-day. Out of the 111 citizens nominated by a general public meeting to act, 109 have consented to do so. Two said they would be out of town at the time, and regretted inability to serve. Reginald Hayward, M.P., chairman of the committee, which was called into being after the public meeting held under the auspices of the Native Sons of Canada. The public is invited.

## OBITUARY

The remains of the late George Atkinson, who was found at the Gorge Park last Saturday, are resting at the Sands Funeral Chapel pending funeral arrangements. The late Mr. Atkinson was born in Morpeth, Northumberland, England, and was aged forty-three years. He lately resided at the Y.M.C.A. and leaves relatives in England.

The funeral of Miss Marian Amy Bernice Pope took place from the chapel yesterday afternoon, the body having arrived on the Vancouver boat, and proceeded to Ross Bay Cemetery, where interment took place in the family plot. Rev. F. A. P. Chadwick, officiating. The services were acted as pallbearers: Jack Adams, Harry Charlesworth, W. H. Gee, J. R. Pollock, Charles Sonley, Emmett Ewers and Gilbert Schwab.

The funeral of Lee Wah Sing, who passed away last Sunday at the Royal Jubilee Hospital, was held yesterday afternoon from the Sands Funeral Chapel. Many friends attended the service, and the casket was covered with beautiful flowers. The body was laid to rest in the Chinese Cemetery.

The remains of the late Mrs. Annie de Trafford Cunningham, who passed away at her home last Monday, were conveyed last evening to Dunsmuir by the Sands Funeral Co. Services were held this morning at St. Edward's Roman Catholic Church, and the body was laid to rest in St. Ann's Cemetery, Trouhalem.

## CHIANG PLANS EARLY ARMY DRIVE AGAINST NORTHERN CHINESE

(Continued from page 1)

It is reported steamers passing Tatum, on the Yangtze midway between Wuhu and Nanking, have been fired on.

### PARADE AT WUCHANG

A large military parade at Wuchang, across the Yangtze from Hankow, is reported by the Exchange Telegraph Company correspondent. He says the paraders were addressed by Tun Sen-Chi, one of the Cantonese leaders, and that military officials expressed the belief the parade was preparatory to a move against the North.

The Chinese civilian population hurriedly evacuated Hsin-kwan, the dispatch adds, when a few shells dropped on the town from Fukow, on the north bank of the Yangtze opposite Nanking.

### BRITISH REINFORCEMENTS

London, April 20.—Further reinforcements for the British Shanghai defence force started from various points in England to-day for Southampton, port of embarkation.

They comprise a squadron of the Royal Air Force, two batteries of field artillery and a company of the Army Service Corps, with fifty-one M.C. trucks, capable of carrying a whole infantry battalion at a speed of from thirty to forty miles an hour.

Shanghai, April 20.—Responsible foreign sources reported to-day that the Peasants' Union was in control of Changshu, giving orders to the military and civil officials. Chang-shu is a treaty port on the Siang River in Hunan province.

Shanghai, April 20.—Six prisoners

described as communists and including the head of the Chinese Seamen's Union were executed to-day at the Cantonese headquarters in the native city of Shanghai.

This brought the total number of agitators executed since the Moderates began their drive against the Reds to more than 100.

### PAYS BOND

St. Pacific which was arrested by Sheriff H. W. Goggin at Port Alberni last week for sinking one of Stone Bros' towing vessels, sailed from that port on Sunday after paying its bond. The Pacific took out a large lumber cargo.

## BABIES CRY FOR "CASTORIA"

Prepared Especially for Infants and Children of All Ages

Mother! Fletcher's Castoria has been in use for over 30 years as a pleasant, harmless substitute for Castor Oil, Paregoric, Teething Drops and Soothing Syrups. Contains no narcotics. Proven directions are on each package. Physicians everywhere recommend it.

The genuine bears signature of

Wm. H. Fletcher

That every year, tourists spend millions of dollars vacationing, hunting and fishing in Canada's Forest Playgrounds.

Forest fires destroy scenic beauty, dry up rivers and streams, spoil fishing and drive out game.

Put out your matches, cigarettes and campfires when in the woods.

## WHAT IS A CANADIAN?

WHAT IS A CANADIAN? THIS QUESTION is being asked every day. So far no authoritative answer has been given. Our census regulations do not recognize anybody as a Canadian although he or she may have been born in Canada and lived nowhere else.

Obviously there ought to be a remedy for this anomalous condition. The Manitoba Free Press is hopeful that if enough pressure be applied in the proper quarter, many persons will have a chance of calling themselves Canadians when the next Federal census is taken in 1931. The matter came up for discussion in the House of Commons at Ottawa recently and Hon. James Malcolm, Minister of Trade and Commerce, under whose department the Bureau of Statistics operates, gave an assurance that he would discuss it with the Bureau before 1931.

The issue was raised by Mr. Coote, of Alberta, who said that the census enumerators as a rule would not accept the answer that a person was a Canadian; they said he must be described as Scotch, Irish, English, German, Ruthenian, etc. Hon. Mr. Malcolm said that this was quite correct, and that Mr. Coote could assist the Bureau of Statistics by furnishing a definition of what constitutes a Canadian. It was, he said, a difficult question. Mr. Coote cited his own case. His mother was born in the Orkney Islands; he had an idea that his great-grandfather was born in Ireland. Should he tell the census enumerator that he was a Canadian, or that he was Scotch or Irish? Mr. Ward, of Manitoba, mentioned the case of Ruthenians. They wanted to say that they were Canadians, but the census man forced them to say that they were Ruthenians. Mr. Ross, of Kingston, said that no father or mother in Ontario, though Canadian-born, could register a child as a Canadian. For the sake of a few Chinese and Japanese, said Mr. Ross, all our records were wrong. It was a mistake to term a child Irish unless both parents were full-blooded Irish. Mr. Kaiser and Mr. Arthur, two Ontario members, expressed the opinion that anyone born in Canada should be entitled to list himself as a Canadian. They pressed that some action should be taken before the next census.

The Manitoba Free Press suggests a partial remedy as follows:

Permit every person born here to list himself as a member of the Canadian race. Then the census man can ascertain the racial origin of the person's father and mother, grandfather and grandmother, and other information such as the language spoken in the home, and send the record along to Ottawa where the officials in charge of the racial record can sit down and figure out accurately what the racial pedigree of that citizen is. To have it accurate they would split a man up and put half of him in the English column and half of him in the Scottish column, or quarter him if necessary. That would at least be accurate and far less absurd than the present method of calling a Canadian an Irishman because some remote male parent came from Ireland.

In our judgment this does not meet the case fully enough. It would assure to the native-born his or her right to be called Canadian. But it would still require those who might have lived half a century in Canada, but who had been born in England, Scotland, France, Germany, or any other country, to be classified under the nationality of their ancestors. Yet they desire to be regarded as Canadians. Everybody who assumes the duties and responsibilities of Canadian citizenship should be authoritatively designated Canadians. Thus something more than an extension of census statistics seems to be required to meet the case fully.

## SALVATION ARMY SELF-DENIAL WEEK

THE ANNOUNCEMENT IS MADE FROM the headquarters of the Salvation Army that the annual period of Self-Denial in the organization will occur April 25 to May 7. For this period the officers of the Army are asked to give up the use of tea, coffee, butter, or some other articles of food and from this and other sources to make a special contribution to Army funds. All the soldiers and officers of the Army look forward to this period in the year and make preparations for service beyond the ordinary at this time.

The service which the Salvation Army renders is well understood and the funds collected in the period of Self-Denial are used to maintain these services. From the beginning the Army has sought to feed the hungry, to provide homes for the homeless, to care for the unfortunate, and in general to minister to all in distress. In Canada it has discharged these duties on a large scale in cities and towns from coast to coast and each year it is asked to assume new responsibilities to meet pressing needs. None of the money collected in Canada is used in Army work in the Mother Country. The Army in Britain sends money to all countries and receives for the work at home from none.

During the past few years the demands made on the Salvation Army in Western Canada have been unusually heavy, and the organization has undertaken responsibilities in all the Provinces, including

Western Ontario. In the effort in connection with Self-Denial it is hoped that money may be provided to cover, at least in part, some of these large undertakings.

## A BARGAIN

IN APPROVING THE PURCHASE OF the Craigdarroch property for the Victoria College the City Council has acted wisely. For \$35,000 the School Board will now acquire possession of accommodation which would cost a great deal more to provide if a new structure had to be erected. The present building represents an original outlay of very nearly half a million dollars.

The purchase will be made by taking \$10,000 out of general revenue, \$10,000 from the provincial grant, while the remaining \$15,000 will be disbursed over a period of two years. This is a sound business arrangement and the City may consider that it has made an excellent bargain.

## A GREAT ENDURANCE FEAT

CROSSING THE ATLANTIC IN AN aeroplane without a stop may not become a common practice for some little time yet; but recent events remind us that we need not be surprised at anything that takes place in the realm of aeronautical science. Already an airman in France has flown at 278.48 miles an hour and now two United States civilian aviators have remained in the air continuously for just a little more than fifty-one hours—practically six hours longer than the previous record established by two French airmen a year or so ago.

Endurance flights of this kind are very little more than sporting events. They are severe tests for the men who engage in them and impose a trial upon engine and machine alike. But the flight is undertaken over a restricted area in which flying conditions are as well known to the aviators as a speedway is to a racing automobilist. There would be no point, for instance, in comparing this fifty-one-hour continuous flight with a non-stop flight across the Atlantic or even across the continent, where conditions in one section might differ materially from those in another. The new record, however, is something of which the two men who have established it are entitled to be proud.

## Queer Quirks of Nature

By ARTHUR N. PACK

This set of elk antlers is at least a century old. They may be ten centuries old or they may have adorned the head of a forest monarch even 2,000 years ago.

Not have they hung on the walls of a sportsman's den all the have been buried away deep in the mud of a swamp, hidden from the men that cleared the neighborhood forests and ploughed the fields.

We commonly think of the elk as an animal of the western mountains. A few of us know that these splendid animals once ranged in great herds over much of what is now the northeastern part of this country; that they were abundant in the Allegheny mountains and on the plains of the middle west.

Occasionally a set of antlers like these is found to tell the story of the days when the elk herds extended far beyond their present range.

## The Defeat of the Guthrie Amendments

From The Manitoba Free Press

Perusal of comments by a number of Conservative newspapers upon the result of the recent constitutional debate at Ottawa leaves the impression that they are a little worried about the practical outcome of this political venture. They seek to minimize the effect of the decisions which the House of Commons was forced to make as the result of Mr. Guthrie's attempt to play politics with questions which have hitherto been kept apart from party disputation. They are trying to make themselves believe that while the acceptance of Mr. Guthrie's amendment would have registered important decisions by Parliament, its rejection has no significance whatever.

Mr. Guthrie asked the House to declare that it must not be deemed tacitly to have acquiesced in the declarations and recommendations contained in the report of the Imperial Conference. The rejection of this request could only mean that the Commons did agree with the declarations and recommendations of the report. The Canadian Parliament has always, following an Imperial Conference, tacitly approved the conclusions of the Conference to which the Canadian Prime Minister agreed. Had it ever disagreed with these conclusions, censure of the government would have been the appropriate remedy. There have been, prior to the 1925 Conference, no less than eight Imperial Conferences, counting the 1897 gathering as the first; four in the premiership of Sir Wilfrid Laurier; two in the premiership of Sir Robert Borden; one in the premiership of Mr. Meighen; one in the premiership of Mr. King. Never, until the present instance, did the Canadian party question the conclusions of the Conference, or attempt to challenge the propriety of the Prime Minister assuming the right, by virtue of his position, to speak for the people of Canada. In agreeing to the general statements and declarations put out by each Conference.

The Conference has never, of course, had the power to change Canadian law in the slightest particular; but it has noted from time to time stages in the evolution of Empire relationships which have revealed to the British peoples the road they were taking and the progress they were making along this road. In the making of these revealing declarations, Canadian prime ministers have always taken a leading part; and they have in this carried the tacit approval of the Canadian people as evidenced by the implied consent of Parliament. Mr. Guthrie has changed the procedure but not the result; Parliament by open vote has now given its approval to the Government's participation in the conclusions of the Conference and recorded its agreement with the declarations and recommendations contained in the report. This is the inescapable meaning of the vote in Parliament.

## Do You Mean What You Say?

"HORSE SENSE"

4-14

"HORSE SENSE"

There are many forms of human activity which would be benefited by the application of a fair sized dose of "horse sense." In the opinion of the wisecracker, "Horse sense" is the animal instinct, sometimes called animal intelligence, by which the horse is able to preserve himself. It is "horse sense" which keeps a horse from drinking, germ-laden water which his master would drink unhesitatingly and contract some fatal malady did he not depend on the good judgment of his horse. Actually it is the horse's acute sense of smell which directs him to suffer intense thirst rather than refresh himself from a stagnant pool. In current usage everything which comes under the classification of "common sense" is termed "horse sense."

## Canadian Questions and Answers

### PETROLEUM IN CANADA

Q. What is the production of petroleum in Canada?

A.—The production of crude petroleum in Canada shows a marked increase in 1925 over 1924, valued at \$1,200,705, largely due to the production from the Royallite well in Alberta. Canada imported \$43,542,427 of petroleum products in 1925. The industry in Canada has 180 plants.

Daily Bulletin Published by the Victoria Meteorological Department.

Victoria, April 20.—5 a.m.—The barometer remains abnormally high over this Province and the products are extended to Oregon. The weather is decidedly cold in the Prairie Provinces.

### EASTER PROMISES

To the Editor:—If you see fit to print such a note as this, the writer would appreciate the opportunity of expressing what doubtless a good many people realized in mind and heart on Easter morning at the sunrise service on Mount Toimie.

What a dull, rainy, cold, windy morning! But what about the opening in the eastern sky wherein the morning sun shone clearly and warm, smiling at the blackness in the other parts of the heavens! And those lovely white puff-ball clouds hanging in the blue around the sun itself, showing their brightness pitted against the dullness!

Here is the thought that it brought. The sun shining through the gloom; and in a word it seemed so appropriate as the group of people there celebrated the occasion of the rising of the Son of God from the tomb, thus dispelling the gloom of death which had seemed so dark. Who knows but what some one there on Mount Toimie may have received the sun of righteousness into (their) his or her heart that morning, dispelling the gloom of over-

hanging death and giving them life forever more, through faith? Such a service is well worth while, rain or shine. And the City Temple pastor and congregation officiating and leading the singing by that fine band, as well as all present, would feel rewarded in seeing what God in Christ Jesus does for those who look to Him as the light in the darkness.  
ERNEST WILDERSPIN.  
922 Wellington Avenue, April 19, 1927.

## Pender Island

A marriage of interest to many was solemnized in Victoria last Thursday between Robert H. Roe Jr., of "Roeland," Pender Island, and Irene May Burnes of Victoria, who for some time has been on the teaching staff of Lampson Street School. Mr. and Mrs. Roe are spending a short honeymoon on the mainland, after which they will make their home at "Roeland."

Miss Margaret Brackett came home from Chemainus for the Easter holidays.

Mrs. Taylor is spending a holiday with her daughter in Victoria.

Will Hawkes spent the Easter week-end here.

A. E. Craddock came down from Vancouver for Easter, and with Mrs. Craddock was host to a number of friends during the holiday at their home, "Waterloo."

Rev. J. K. Unsworth, D.D., and Mrs. Unsworth and A. H. Menzies are attending Presbyterian meeting in Victoria this week.

The Misses Verna and Louise Quinn and Estay Lane of Vancouver are guests of their aunt, Mrs. D. G. MacDonald.

Miss Kathleen Horner is holidaying at her home in Victoria.

Miss Ethelwyn Dee, who has been appointed principal of the school, is expected to arrive about May 1. Meantime Mrs. V. W. Menzies is to carry on as substitute.

Three games were played on Saturday night, the local "B" team winning after an extra five minutes play to break a tie. The three squads were successful in winning the other two matches. The line-up was:

Ladies, White Lunch—P. White, K. Prescott, P. Spenshott, G. Ewers, D. Riddle—25 points.

West Road—O. Anderson, M. Anderson, M. Peden, A. Rice, T. Clarke—15 points.

C.P.S.B.—Scalfs, Cameron, Noel, Scofield, Haycroft—23 points.

West Road—Shiner, Butler, Maher, Slugett, Lannon, T. Peden—31 points.

C.P.S. Senior—Murray, McEachren, Wood, Davis, Woolridge—50 points.

West Road—G. Lannon, M. Lannon, M. Rice, P. Lannon, H. Tubman—35 points.

Colwood

Colwood, April 20.—The report of the nurse in charge, to the Esquimalt Rural Nursing Service for the month of March, showed that six schools had been visited and 160 school children inspected. 102 home-school visits had been made and seven health talks given; three cases of measles were reported (all recovered); four pre-natal visits; two patients taken to hospital; 42 paid nursing visits, including Metropolitan visits. The annual dental examination of all the school children was held before the closing of the schools, and it was gratifying to find a wonderful improvement in the teeth of the children, a great many cards were marked O.K. by the dentist. All children requiring treatment will receive attention during the next few weeks, where the cards have been signed by the parents, authorizing the work.

The council of the association will meet at Colwood Hall on Monday, April 25, to consider usual quarterly business and to receive the report of progress in arrangements for the health pageant to be held on Saturday, April 30, also to arrange final details in connection with same.

A donation of \$10.00 has been received from Mrs. J. Dunsmuir towards providing ice cream for the children on the day of the pageant.

### FARR BEATS FILIPINO

Cleveland, O., April 20.—Johnny Farr, Cleveland featherweight, defeated Johnny Hill, Chicago Filipino in a twelve-round bout here last night. After traveling ten rounds on an even footing with Farr, Hill was helpless before a shower of rights in the final two rounds, and it was only his gameness that saved him from a knockout.

## CHURCH PROPERTIES DIVIDED BY ORDER

Dominion Commission Makes Rulings for Presbyterian and United Churches

Toronto, April 20.—The United Church of Canada will fail to find justification for the decision as it affects the theological colleges of the church, but it recognizes that owing to legislative action in Ontario and Quebec in regard to Knox and Montreal Colleges, the commission was not bound to do so. The commission's decision in its entirety, states an opinion issued on the order of the Dominion Church Property Commission dividing Presbyterian Church property, by Rev. George C. Pidgeon, D.D., Deputy Moderator of the United Church, Rev. T. A. Moore, D.D., secretary of the General Council, and Rev. Robert Laird, D.D., treasurer.

### EQUAL TREATMENT

"Taking the situation as a whole, an earnest effort was made to deal justly with all the interests concerned," the opinion continues. "It will be noted that the determination of the non-concurring representatives to take so large a part of their equity in college property has left the funds for the building up of missionary enterprises of the church at home and in foreign lands almost wholly in the United Church of Canada."

The loss of two valuable college buildings and more than half a million dollars of endowment at the important educational centres of Montreal and Toronto will be felt severely by the United Church of Canada.

### ORDER MAKES DIVISION

Toronto, April 20.—Properties of the Presbyterian Church in Canada from coast to coast, and the pension funds of the church, are divided between the non-concurring Presbyterians and the United Church of Canada, in an order of the Dominion Church Property Commission handed down yesterday.

Slightly more than twenty-two per cent of the total assets of the pension funds of the Presbyterian Church are to be handed to the non-concurring congregations under the order, and the continuing church also is to receive the charters of Knox College, Toronto, and the Presbyterian College, Montreal, the two central colleges of the church, together with about \$50,000 of the endowments of these colleges.

As the two college buildings themselves already have been given to the non-concurring congregations by the Legislatures of Ontario and Quebec,

## Pipe Organ Brunswick Record

For the very first time a real pipe organ has been recorded on a record, through the Light Ray Electric Method by Brunswick. It is the Kimball Unit Organ, played by Low White, in the new fifteen million dollar Romy Theatre in New York.

PLATES

comfort, natural appearance. Prices low, withal you save \$15.00

DE COULTAS

100 DOUGLAS ST. (SECOND FLOOR)

It is estimated the continuing church now possesses approximately fifty per cent of the college assets held by the Presbyterian Church in Canada before union.

### PROPERTY AND FUNDS

It is estimated that out of assets totaling approximately \$10,000,000 held by the Presbyterian Church at the time of the union, property and funds valued at \$2,261,000, or about thirty-one per cent of the whole, have been awarded to the non-concurring Presbyterians. This percentage concerns property and capital funds only and does not take into account certain sums to be refunded by the non-concurring congregations for the maintenance of their institutions and missions since union. It is stated to correspond generally with the proportion of congregations and members of the Presbyterian Church which did not enter union.

DIVISION OF PENSIONS

Of the pension funds the non-concurring foundations are awarded the following:

Aged and infirm ministers' fund, \$28,167.49, or 23.2 per cent.

Widows' and orphans' funds, West, \$147,416.63, or 22.16 per cent; East, \$68,058, or 16.39 per cent.

Of the total assets of the three funds, 77.34 per cent continues vested in the United Church.

The Home Mission Board of the Presbyterian Church brought into the

union general property of the value of \$2,314,599. Of this \$53,200, consisting of buildings, sites and loans assigned to the non-concurring congregations, together with approximately \$15,376, their share of the estimated proceeds of property to be divided and sold.

When you get that tired, lay-me-down-and-die feeling take 15 to 30 drops of Seigel's Syrup in a glass of water. Does the trick and safely. You'll feel like new.

We Are Exclusive  
Agents in Victoria

FOR THE

## Monarch

MALLEABLE

## RANGE

It is now our privilege to announce that the Malleable Iron Range Company have appointed us sole agents for the Monarch in Victoria and vicinity, and we have now in stock a full showing of the various models of this well-known range.

The Monarch Range has been sold in the City of Victoria for close to thirty-five years and needs no introduction as to its great service-giving qualities. Several of the original ranges are still in good condition and giving satisfactory service in economy of fuel, baking or cooking.

### Some of the Outstanding Features of the Monarch Range

Vetrifused rust-resisting flue linings, which protect the flue areas from the ravishes of coal gas and moisture.

Micro process polished top, which gives the entire top surface a uniform blue-black color, and serves as a protection against rust, even when subjected to intense heat. Monarch patent duplex draft, which, introducing air at both ends of the firebox, eliminates dead ends, and insures combustion of fuel. This feature accounts in a large measure for the Monarch Range being so very economical.

All trimmings, such as oven door frames, handles, hinges, brackets, fire and ash door frames and warming closet, are made of high-grade malleable iron that cannot be broken. This applies to top frames and sections, and is one of the reasons why the Monarch Range gives such life-long satisfaction.

### Sold on Easy Terms

Monarch Range in full white enamel finish, which includes all body of range, oven door, fire and ashpit door, base, warming closet back fence and doors, all fitted with separate white enamel panels. Full nickel trimmings, non-rustable top and large cup waterfront.

17-inch oven ..... \$170.00

## AT THE THEATRES

NEW THEME SEEN IN  
SHIRLEY MASON'S NEW  
PLAYHOUSE PICTURE

A new theme is something unusual in motion pictures, but there is one in "Rose of the Tenements," FBO's Gold Bond special now playing at the Playhouse Theatre. The story of a girl who is brought up as brother and sister, the girl's affection for her "brother" has been strong at all times, but does not reach its full extent until she discovers that he is an orphan, and that she loves him. With a background of the stirring days preceding America's entry in the World War, and the menace of Bolshevism

supplying much of the drama, the picture is a striking and powerful piece of screen material.

NOTABLE CAST TAKES  
PART IN COSMOPOLITAN  
PICTURE AT DOMINION

Snitz Edwards, the "evil one" of "The Thief of Bagdad," plays a new type of comedy role as the English valet of an Irish master, in Marion Davies' new Cosmopolitan vehicle, "The Red Mill," now at the Dominion Theatre. He plays the valet of Owen Moore, Miss Davies' leading man. The cast is a notable one, including George Slegman, Louise Fazenda, Karl Dane, Russell Powell, Fred Gamble, William Orlamond and others of note.

## A REAL LIVE DANCING DOLL

Jacqueline Higginson who has proven herself a very popular member with Howard Le Roy's Kute Kids Revue that will be seen at the Crystal Garden for three days, commencing Monday, April 25. Jacqueline is a very beautiful child of nine years, with lovely gold curls, a very pleasing personality, an exceptionally clever acrobat and step dancer of rare ability. She has made a host of friends along the route of the tour with the Kute Kids.

GREATEST ROMANTIC  
ACTOR OF HIS DAY  
SHOWING AT VARIETY

A Spanish monk of the sixteenth century, Gabriel Tellez, wrote the drama of "Don Juan—The Deceiver of Seville." Since then the character has inflamed the imaginations of artists throughout the world. Moliere, Goldini, Thomas Shadwell, Dumas, Balzac, De Musset, Gautier, Merimee, Tolstol, Zorilla, Pushkin, Beaudelaire and Lord Byron wrote poems and dramas with the great lover as the hero. Mozart's famous opera made the character famous in music of elfin tones and darting rhythms "as of Summer light made audible." Strauss composed his symphonic poem on the theme. And, in our own day Rostand, George Bernard Shaw, James Elroy Flecker, Arnold Bennett, Harry Kemp, Ludwig Lewisohn have added to "Don Juan" literature. Now the greatest lover of all ages has come to the screen enacted by the greatest romantic actor of his day, John Barrymore in the Warner Brothers production, "Don Juan," at the Variety this week.

COLUMBIA OFFERING  
FILLED WITH DRAMA  
AND THRILLING ACTION

A new screen version of Jack London's famous novel, "The Sea Wolf," which is now being shown at the Columbia, is said to be replete with spectacular scenes. A ferryboat and a giant ocean liner actually crash at sea. The ferry founders in a fog while "Wolf" Larsen's vessel, "The Ghost," is burned after a desperate battle between the "Wolf" and his ruthless crew.

While all these episodes are thrillingly recorded by the camera, the emphasis in the picture has been laid upon the stirring story, which is at bottom a study in contrasts—a brutal sea captain who believes that might makes right and the aesthetic, peace-loving young reviewer and clubman whom he rescues after a catastrophe at sea.

CORINNE GRIFFITH IS  
STAR IN "THREE HOURS"  
NOW AT CAPITOL

Corinne Griffith's First National screen version of May Edington story, "Three Hours," heralded as one of the strongest dramatic vehicles that has yet been given to the screen's beautiful star, is now at the Capitol Theatre.

The picture was made under the direction of James Flood with John Bowers playing the male lead opposite the star. Hubert Bosworth and Paul Ellis have important roles in the production.

Presented at the Capitol Theatre on the stage are "The Harmony Girls," Mae and Phyllis Keith with the noted English comedian, Frank Smith in a brand new presentation. Beatrice Nelson, soprano soloist will also appear with a delightful repertoire of favorite song classics. The headline act offers More and Francis, lale of the famous "Fenchon" and Marco Revue with a novelty song and comedy offering introducing a melody of melodies on guitar, violin and mandolin.

BY AIRSHIP FROM  
ROME TO TELLER

Subject of Lecture by Capt. Amundsen April 29

One of the most notable events of the present season will be the appearance of Captain Roald Amundsen at the Royal Victoria Theatre twice on Friday, April 29, when he will deliver a lecture of remarkable interest, entitled "By Airship from Rome to Teller." In his lecture the world-famous explorer, will give a vivid account of his experiences as commander of the Amundsen-Ellsworth expedition, which made the first successful airship voyage last May from Europe to America by way of the North Pole. The lecture will be illustrated throughout with a splendid series of still and motion pictures, showing a very important incident of this remarkable journey—Captain Amundsen, who excels as a public speaker, is certain to rivet the attention of every hearer by his thrilling story.

Among the pictures thrown on the screen will be views of the great dirigible airship, Norge, leaving Rome, Italy, cheered by large crowds, while others will show the descents that were made in England, Russia, Norway and Spitzbergen, where supplies of fuel and provisions were taken on board. Then will follow a pictorial record of the Norge's departure from Spitzbergen and its subsequent arrival at the North Pole, where a series of wonderful views was obtained. The final episodes will include the crossing of the Arctic and the completion of the voyage at Teller, Alaska, where the airship descended in the midst of a terrific storm.

In recent months the whole world has united in paying tribute to Captain Amundsen, the fact being recognized that it was largely owing to his courage and resourcefulness that the airship voyage of 6,820 miles proved successful. Since his discovery of the South Pole in 1911, which followed other notable exploits, this famous explorer has been decorated and honored by every country. He has been designated a "modern Viking," and to-day he is undoubtedly ranked as the world's foremost explorer. The greater part of his life has been devoted to exploring vast areas of the Arctic and Antarctic, a work which he has carried on with an utter contempt of danger.

POPULAR PRICES

highest culture, having graduated with honors at the Christiana University before he sought fame in the region of the two poles. In his forthcoming lecture he will unroll picture after picture, showing the great airship at different stages of its historic flight, the frozen wastes of the Arctic, the vast expanses of ice at the North Pole. He will also show the men of his party and give an intimate account of life on the airship as well as the perils of the voyage. While crossing the Arctic all food on board was frozen solid and the great dirigible, bombarded with chunks of ice thrown off by the propellers, narrowly escaped destruction. Captain Amundsen's audience, in short, will hear a story of courage and endurance that has never been surpassed in the annals of human achievement.

Captain Roald Amundsen's appearance in Victoria is under the auspices of the Gyro Club.

PLANS TO INCREASE  
GORDON HEAD WATER  
SUPPLY ARE HALTEDSaanich Council Fails to Agree  
on Financing Plan For  
Waterworks Betterment

Proposals for betterment of the Gordon Head water service at a cost of \$15,000 were last night discussed at length at a special session of the Saanich Council, but without result.

Construction of a big main on Cloverdale Avenue, financed either by a bond issue or from revenue, failed to win sufficient support. Councillor McWilliam considered that a by-law for any waterworks extension would surely fall at the polls, and Councillor Graham agreed, while favoring relaying Cloverdale main. Councillor McWilliam urged that Gordon Head district should wait a year, until the people of Saanich become accustomed to new taxation methods. He also objected to usage of profits from water sales for extensions, as preventing granting of a lower schedule of charges to domestic users.

Councillor Vantreight protested that the agreement with Victoria prevented any lowering of water charges in Saanich.

**WATER CHEAPER IN CITY**

Reeve Crouch pointed out that Victoria now gives 3,600 gallons per month for \$1.50 net, while the present Saanich schedule allows only 3,000 gallons for a net minimum of \$1.65 per month.

Councillor Vantreight asserted that the refund of \$5,000 allowed Saanich by Victoria is contingent upon early betterments of extensions being made, or equal or greater value than the refund.

The Reeve pointed out that no specific mention of Cloverdale replacement had been incorporated in the agreement as to a refund, declaring that, when this was sought by Victoria, he had successfully fought such limitation. He also asserted that no profits accrued from Gordon Head district.

Councillor Milne asked: "What are we going to do with the \$5,000 from Victoria?" and Councillor Vantreight retorted: "The city will promptly reclaim the grant, and be quite within their right." Councillor Milne considered the city had honorably com-

plied with a "gentlemen's agreement," being under no legal liability to make any return whatever on past water bills paid by Saanich. He was confident that a by-law would be accorded a majority if well explained to the ratepayers. Reeve Crouch agreed, but was positive of success if deferred until the next annual elections.

Councillor Milne then moved introduction of a by-law to raise \$16,000, but was unable to obtain a second.

Councillor Vantreight proposed that a twelve-inch main be laid on Cloverdale Avenue and financed from profits and other available resources. Only Councillors Oldfield and Borden supported this alternative.

J. J. Maloney Spoke  
Before Knights at  
Dinner Last Night

At the dinner given last night in the Empress Hotel by Ye Knights of the Round Table, J. J. Maloney was the speaker for the evening. He took for his subject, "Canada, Our Pride." The speaker dealt with the resources of the provinces and the character of the people of Canada. He voiced the opinion that there were too many legislators in the Dominion. In the whole of Canada there were 900 as compared with 600 in Great Britain.

A solution offered by the speaker was that the Maritime Provinces of New Brunswick, Nova Scotia, and Prince Edward Island should unite as one, and that the three prairie provinces should join together as one province.

## Women Know Best

"Fruit-a-tives" Make  
and Keep You Well

MRS. O. MONACH

Thousands and thousands of women have tried "Fruit-a-tives" during the past quarter of a century. Many of these, like Mrs. O. Monach, took "Fruit-a-tives" as a last resort after having failed to get relief from any other remedy. And their experience has been invariably the same—"Fruit-a-tives" saved them from constipation, biliousness, headaches, indigestion, backache and kindred troubles when they had almost given up hope of ever being well again. Writing from Frenchville, Sask., Mrs. Monach says, "I have taken many kinds of medicine, but none prove so good as 'Fruit-a-tives' for me. It is the only medicine I take—I use it regularly and do not feel right if I do not." Let "Fruit-a-tives" be your medicine and help you to get well and keep well. Buy a box to-day. 25c and 50c everywhere. (Advt.)

## Sidney

Mr. and Mrs. W. Derric, having sold their property at Deep Cove, have moved to Vancouver.

Mrs. E. W. Cowell and daughter, Mona, spent the week visiting relatives in Vancouver.

Mr. and Mrs. A. W. Mar and family moved last week to Shawinigan Lake where they will reside.

George Griffin, accompanied by his granddaughter, Alberta, are spending the week visiting in Vancouver.

Mr. and Mrs. A. Delid of Victoria have taken up their residence on Third Street.

Mr. and Mrs. F. Chancellor of Meadlands left last week for New Westminster, where they will spend a short time before going to England.

Guests registered at the Sidney Hotel for the week were: J. E. Young, Roach Harbor, Wash.; C. Pearson, B. Smith, Alberni; E. H. Curtis, P. Little, Seattle; W. Peabody, Everett; Mrs. G. Sorenson, Mrs. M. Kutoff, Seattle; Mr. and Mrs. A. J. Wiley, Mrs. Matthews, Victoria; Mr. and Mrs. W. Munro, Duncan; L. E. Randall and wife, Berkeley; Thos. H. Simpson, Chilliwack; C. J. Gilbert, Pender; Mrs. L. A. Heustis and sister, Mr. and Mrs. J. J. Dunn, Anacortes; Mr. and Mrs. G. C. Thomas, Sumas; Wash.

## Laundered Pillows

Pillows may be washed, without removing the feathers from the case, by soaking up and down in warm suds or putting in washing machine. Do not wring. Change on windy days as wind blows up feathers as well as drying them.

## No Woman is Beautiful Who is "Skinny"

Gain Pounds of Weight in 3 Weeks with Yeast and Iron—or pay nothing

All over the country women and men are amazed at the almost magic effects of IRONIZED YEAST. After a single course of treatment—this, weak bodies are brought up in weight and strength. Flesh made round and firm. Hollows filled out, skin made satiny smooth with the glow of youth. How is this done?

Yeast and Iron have always been considered two of the greatest body and blood builders by medical science. They contain those vital food elements that build up flesh, correct skin and digestion troubles and enrich the blood. IRONIZED YEAST contains these ingredients in a highly concentrated form.

IRONIZED YEAST gives you all the weight-building benefits contained in cod liver oil.

So it is natural that after taking IRONIZED YEAST in a single course of treatment you will notice an amazing improvement in your health, appearance and spirits. The skin loses its sallowness, brightly looks, pounds of good flesh are taken on and your digestion and bowel action are wonderfully improved.

So, don't have a skinny, weak body that looks as though it had never been fed enough. Don't go around with a ugly skin. Sixty pleasant, tasty tablets in a handy bottle. Safe for everybody; contains no harmful drugs.

**Try It on "Money-back" Offer**

Go to-day to any drug store and get a full-size treatment. If, after this generous trial you are not delighted with effects, ask for your money back. It will be refunded immediately. If, however, you are satisfied, send \$1.25 direct to THE IRONIZED YEAST CO., Port Erie, Ont. DEAR 1226

## COUNCIL PREPARES TO SQUEEZE BUDGET

Four-hour Session Abandoned  
at Midnight Last Night

Council Passes Craigdarroch  
Vote and Superannuation  
Sums

In a midnight session last night the council of the city of Victoria, after a four-hour session, abandoned the annual problem of fixing a lower tax rate with rising requirements. After four hours of steady deliberation the council had to admit that the results of its evening were to be mainly told in terms of addition, and not subtraction.

Anxious to get the mill rate lower, and to maintain the steady drop in taxation that Victoria has experienced now for four years, the council agreed to the principle of appointing a special committee of four to review the whole budget and bring in recommendations with a view to saving a further \$45,000 out of the budget this year. In the long run the estimates will go back to the separate committees with a call for cuts to be applied at the discretion of each committee on its own affairs, it is expected.

**FEW SALARIES RAISES**

Standing out from the discussion last night was the general policy that the city is not raising any salaries this year. With superannuation to be brought into early effect, the council decided that this measure of relief alone would virtually increase the receipts of the employees by four per cent. Rates granted last night were handed out sparingly, with \$1,500 covering the sum total of such raises made. In each case the increase was to individuals in the city's employ who have made good after extended trials in special work, and whose cases were sufficiently strong to prove exceptions to the general rule.

One major item of consideration in the review was the addition of \$10,000 to the budget to provide for the first payment on Craigdarroch of a like amount if the deal is consummated. The remaining \$12,000 of the purchase price would be paid in two equal instalments, in the years 1928 and 1929. It was stated, interest on the outstanding sums would be at five per cent.

The council passed the extraordinary estimates of the school board in this form, and will so notify the trustees.

**FOR SUPERANNUATION**

By passing salaries of the Victoria Fire Department at \$120,716 the council ratified the scale paid last year without any change. The City Labour Staff vote of \$15,130 is a slight increase, sanctioned at a previous meeting. The sum of \$7,500 towards the inception of superannuation is included in the estimates. They now stand as expected to take care of retirements this year. In the few cases where increases were granted to employees the council made the scale retroactive to April 1. For the most part the increases were \$5 a month.

On the credit side of its ledger the council struck out \$3,500 suggested for a new building addition at the Old Men's Home, and will make other arrangement to secure the needed additional accommodation, and executed a saving of \$100 in the operation of the Children's Detention Home.

By setting aside \$5,000 for the repairs and improvements to the buildings at the Willow Grounds the council hopes to be able to tackle a permanent system of upkeep at the site with the assistance of the Provincial Government, also approached on the matter.

With its budget twice reviewed and still unyielding of the additional cuts desired the council adjourned. Two extensions of time were necessary to complete the business of the session, the council rising as the City Hall clock boomed out the midnight hour.

## 55th Heavy Battery Hold Annual Dinner On Saturday Night

On Saturday night the annual dinner of the 55th Heavy Battery will be held in the Dominion Hotel at 7:30 o'clock.

A fine programme is being arranged and toasts will be proposed and responded to. The many trophies won by the battery will be a feature of the table decorations. The Hon. W. C. Nichol will present the intersection efficiency trophy, presented by him to the unit last year for perpetual challenge. This year it was won by the right section under Lieut. S. R. Bowden.

Among the invited guests will be: Hon. Walter C. Nichol, Mayor; J. Carl Pendray, B. C. Nicholas, Col. A. P. Harris, R.C.A.; Major Craig, R.C.A.; Major Rycroft, R.C.A.; Captain Marton, R.C.A.; Captain Francis P.P.C.L.L.; Col. J. C. Harris, commanding officer of the Fifth B.C. Coast Brigade; Major P. T. Stern, Major Cleary, Major F. Richardson and Commander Nelles, senior naval officer of the Esquimalt Naval Base.

## Metchosin

Metchosin, April 20.—Mrs. Livingstone's property at Metchosin has been sold to Mr. Impens, brother-in-law of Mr. Van Gastel, who recently purchased Mr. Long's property which is near by Mr. Impens acquired place.

Mrs. Ben Skelton is recovering from long illness which has kept her from getting about for many weeks. Her many friends were pleased to see her at service on Sunday at St. Mary's Church, this being her first time out since falling sick.

Miss Hester Roberts is spending the Easter holidays in Vancouver with her relative, Mrs. Crawford.

## Keating

The home of Mr. and Mrs. John Patterson, East Saanich Road, was burnt to the ground on Sunday afternoon, the fire commencing from the kitchen chimney, and was fanned by a roaring blaze by the high wind. People returning from church, first noticed the fire smouldering on the roof and, immediately notified the residents. A large crowd soon gathered and assisted in saving all the household goods that were possible, but the clothing and personal belongings of Mr. and Mrs. Patterson were burned.

Mrs. Patterson was visiting in Vancouver at the time and friends from Victoria were residing with Mr. Patterson. The barn and other buildings were in danger for a time but close watch was kept by the helpers.

The Young People's Club of the South Saanich United Church held a very busy session at the meeting in the church parlour on Monday, with a large attendance of members, Miss Chrissie MacNab presiding. The correspondence included a letter from the young people of the First Baptist Church in Victoria, challenging the local club to a debate. The challenge was accepted but it was decided to leave it over until September when the busy season will be over. The club accepted an invitation to co-operate with the Gleaners' Band of the Sluggers' Memorial Church in holding an illustrated lecture on "India," the lecture and slides to be given by Mrs. Chave in the Sluggers' Memorial. May 11 was suggested as a suitable date.

The South Saanich Women's Institute will hold a military five hundred tournament in the Temperance Hall on Saturday evening, April 23, commencing at 8:30 o'clock, when the hostesses for the evening will be Misses Edith Blackford, Doris Michell, Grace Miller and Mabel Miller.

Congratulations were extended to Miss Ida Hoyer, secretary of the club, who recently obtained honors in the typing contest in Victoria by securing first place for accuracy in typing. A social evening was enjoyed after the meeting, under the convener'ship of Misses Janet Sherring and Doris Michell. An Easter egg hunt, and several contests caused much merriment. Refreshments were served.

The athletic meeting on May 2 will be in charge of Messrs. Stuart Stoddart and William Fawcett.

A lengthy discussion on the tennis court to be made at the rear of the church, took place, but the matter was left over until the next meeting when further information will be secured by the committee, Messrs. Stuart Stoddart and Albert Hafer. The members were of the opinion that a dirt court would be the most practicable.

**Raglan Coats**

Coats for motoring are of brown woolen fabrics, in Raglan style, with striped rabbit for collars.

## Luxton

Luxton and Happy Valley, April 20.—The first of the finals in basketball was played at Happy Valley schoolground between Happy Valley and Sooke, the home team winning the match with 20 points to 10. The match was witnessed by a gathering of interested friends and visitors. The next game in the finals will be played on Saturday next at Sooke.

Hall on Friday, under the auspices of the Luxton Hall committee in aid of the hall funds. Pitt's orchestra will be in attendance and refreshments will be served as usual.

Miss E. O'Connor, of Ross Bay, is spending the Easter holidays with Mrs. A. Hankin at "Finchley" Happy Valley.

Canadian Pacific Railway excursion to Bellingham, Tully Festival, May 6. Princess Louise leaves Victoria at 9:30 a.m. Adults, \$2.00; children, \$1.00. Leave Bellingham 5:30 p.m. Tickets now on sale.

## NEWS IN BRIEF

A small roof fire in a shack on the Industrial Reserve necessitated the calling out of the fire department at 12:20 o'clock to-day.

The Educational Secretaries of all municipal, and primary, chapters, I.O.D.E., are reminded of the conference to be held at Alexandra House Friday, at 9 a.m. sharp.

Announcement is made as a warning to motorists by officials of the Esquimalt Municipality that for the next two or three days traffic will be placed on the roads.

Following on a serious illness, James Barr, Building Inspector, was granted leave of absence by the city council last night, to give him opportunity of convalescing.

Passing the usual vote for the purpose, the city council last night set aside \$3,333 for its share of the work of the joint Victoria-Saanich beaches and parks committee.

Dr. A. F. Barton will give a lecture on "Applied Psychology" this evening in the New Thought Temple. His subject will be "Exploring the Sub-conscious Mind."

At St. Paul's Garrison Church, Esquimalt, a lecture on "The History of Vancouver Island" will be given by John Hosie, Provincial Librarian, Friday, commencing at 8 o'clock.

A whist drive and dance will be held on Thursday, commencing at 8.30 o'clock, in the S. O. E. Hall, under the auspices of the Daughters and Maids of England, Princess Alexandra Lodge, No. 18.

A verdict of suicide was brought in by the coroner's jury to-day in the case of George Atkinson, who was found dead in the Gorge Park last Saturday afternoon. Evidence showed that death was caused by poison.

A meeting of Ward Two, Saanich Cottage Gardeners' Society will be held at the home of F. Crowe, 3343 Douglas Street, on Thursday at 8 p.m., to make preliminary arrangements for the annual exhibition to be held in August.

Alderman James Adam, chairman of the city entertainment committee, will be the speaker over radio station CFCT Thursday night, commencing at 7.30 p.m. Alderman Adam will deal with athletics in a ten-minute talk on the city's weekly programme of broadcasts.

Starting at 9 o'clock to-morrow night CNRV, the Canadian National Railways' broadcasting station, will broadcast a concert by the Navy League Boys' Band, under the direction of Arthur Hodgins. The band is now in Vancouver en route to England, and is staging concerts in that city.

A decree absolute of divorce was granted by Mr. Justice W. A. Macdonald in Supreme Court yesterday to Mrs. C. H. McKenna, from Robert E. McKenna, both of Victoria. An allowance of \$20 a month was granted for one child. O. J. Boulton appeared for the petitioner, Mrs. McKenna.

A card party arranged by the Ladies' Women's Forum for Thursday, April 21, has been postponed until Friday, April 29, in the Liberal headquarters, Government and Broughton Streets. Reservations may be made by telephoning Mrs. C. W. Bradshaw at 4653, or Mrs. McLaughlin at 3593.

Henry Steele and Tommy Paul, Indians who lost a launch and were canoe on the rocks off Oak Bay, after having brought their craft down from Cowichan Bay in safety in preparation for the reception to the Governor-General, are to be compensated by the city for their loss. The claim is being settled through the Indian Agency.

The purchase of a small stand of timber on the Sooke waterworks system by the Shawinigan Lake Lumber Company for \$1,250 was recommended to the City Council last night by the water committee, and sanctioned. The timber in question is useless to the city, and not possible of extraction by other than the present bidders. It was stated.

Argument by counsel in Wall versus Wallace-Hill claim for vacation of the sale of seventeen timber licenses and for \$64,000 in damages, proceeded before Mr. Justice W. A. Macdonald in Supreme Court to-day. Five counsel are engaged in the hearing, which proved extended owing to the reading of commission evidence from parties to the suit at New York and in Ireland. The hearing is expected to reach a close to-day.

For the purpose of raising \$1,000 to purchase a quartz lamp for the Queen Alexandra Solarium, the United Commercial Travelers, Victoria Council No. 434, plan to stage a charity circus during the week, commencing May 15. Application was made to the City Council last night to have the heavy-circus fee reduced to the smallest possible figure. The matter was referred to the finance committee for consideration.

Keeping of foxes in the closer settled areas of Saanich will be prohibited within a few months. The Saanich Council last night instructed Clerk Sewell to prepare a bylaw delimiting an area wherein fox raising permits will be refused, and all now in existence will be cancelled. This measure will come into effect in the Fall of the present year, at a time when removal of the animals will be practicable without loss.

Plans are now fully completed for the eighth annual banquet in commemoration of England's patron saint, St. George, and anniversary of the birth of William Shakespeare, which is to be celebrated on Wednesday next, April 27, in the Chamber of Commerce auditorium, at 6.45 p.m. The memory of England's greatest bard, and perhaps the greatest literary genius of any age, William Shakespeare, will be signally honored. The toast of the evening will be responded to by Col. Cy. Peck, M.P.P., V.C. The secretary, Harry Langley, who is in charge of arrangements for the banquet, requests that those who wish to attend will secure their reservations now in order not to be disappointed. Tickets may be secured in Spencer's drug department from Mr. Grant, Fletcher's music store, Litchfield's book store, Cornwell's tea rooms, the Willis Piano Company, Howard C. Chapman's photo studio and the Griffith Company, Arcade Building.

## PROMOTION MEANS LOSS TO JUNIOR COMMERCE GROUP

James T. Hodge Resigns From Directorate on Promotion to Seattle Office

General Meetings Start May 5 and Follow on First Thursdays

Promotion has caused the first loss sustained by the Junior Chamber of Commerce from its membership rolls. James T. Hodge, well known in transportation circles here, resigned from the directorate of the Junior Chamber last night, on promotion to the Seattle office of the Canadian Pacific Railway.

The directorate met in conjunction with a session of the industrial committee. Favorable progress was reported on the Salt Spring Island ferry project, committee members reporting that they had found a great deal of support for the suggested innovation.

The Junior Chamber will join in plans looking to the commemoration of the 150th anniversary of the arrival of Capt. George Vancouver in Puget Sound waters, to be staged by united North Pacific centres this year. A representative has been appointed to the joint committee in charge of the plans.

General meetings of the Junior Chamber will take place on the first Thursday in each month, at 8 p.m. Committees are already at work on a number of ideas in connection with suggestions received from the membership. The industrial committee selected W. N. Kennedy as its chairman, and made plans for an early start on its work.

Members of the transportation, tourist trade, ferry intermunicipal and some other committee are to sit in with the directorate at their next session, called for Tuesday at 8 p.m. From the series of monthly membership meetings a definite programme will be outlined. It is anticipated.

## MISS DOROTHY HICKS IN RECITAL TO-NIGHT

Ladies' Musical Club Will Present Gifted Young Soprano at Empress Hotel

At their April recital this evening at 8.20 o'clock at the Empress Hotel the Ladies' Musical Club will present Miss Dorothy Hicks, a lyric soprano, assisted by Miss Vivian Moggey, solo pianiste. Miss Hicks is a daughter of Mr. and Mrs. Gideon Hicks, and for the last few years has been studying in her father's studio, where she has applied herself with great earnestness and enthusiasm to develop her natural love of music. She has an unusually fine repertoire to offer this evening, and a number of her songs will be given in costume. Miss Moggey is a promising young pianiste, and has already had two of three successful concerts in Victoria, when she has been enthusiastically applauded. She will give four numbers. Miss Beatrice Hicks will accompany as accompanist for her sister. The programme is in six groups and is as follows:

PROGRAMME  
1. Modern songs—(a) "An Open Secret," R. Huutindon Woodman; (b) "Sally Roses," Ida Bostlemann; (c) "The Call of the Maytime," May Bral; (d) "Un bel di, from 'Madame Butterfly,'" Puccini.  
2. Classic songs—(a) "Lady," Schumann; (b) "Wienedien," Brahms; (c) "Favre," Robert Franz; (d) "On Wings of Song," Mendelssohn.  
3. Piano—(a) Prelude in A Flat, Chopin; (b) Second Suite for Piano, York Bowen; (c) Prelude, Intermezzo; (d) Barcarolle; (e) A Rondo, Miss Vivian Moggey.  
4. French folk songs—(a) Berceuse, Legere, arranged by Weekes; (b) Menuet d'Exauget, (c) Jeunes Fillettes, (d) Chantons Les Amours de Jean.  
5. Songs, in costume—(a) The Second Minuet, Maurice Bosly; (b) "My Mother Bids Be Bind My Hair," Haydn; (c) "I've Been Roaming," Charles E. Horn.

For driving his car to the corner danger John Webber was fined \$20 in the city police court this morning.

A prohibition convention will be held in Victoria in about a month, states Rev. R. J. McIntyre, secretary of the Victoria Prohibition Association, who has returned to Vancouver after a series of meetings in Victoria. He states another convention will be held in Saanich shortly after that in Victoria.

Headquarters for Canada for the Guild of Health have been opened at 421 Sayward Building, where communications and inquiries can be addressed. Each Thursday afternoon, information and literature can be obtained, and free consultation had. The next public meeting will be on April 28, when the warden, Rev. T. E. Rowe, will give an address.

The official lecturer for L'Alliance Francaise was to have visited Victoria in April, has been taken ill and has been obliged to return to France. Madame E. Sanderson-Mongin will, therefore, give the last of the series of four lectures on Tuesday evening next in Victoria College at 8.30 o'clock. The subject will be "The History of the Minuet." The lecture will be illustrated by Dr. Prieswerck's string quartette.

The minutes of each period from the seventeenth century will be played, and the audience will enjoy in turn that of Tartini, Boccherini, Beethoven, Haydn and Mozart. This promises to be an unusually attractive programme, as Dr. Prieswerck's quartette, consisting of Mrs. Bennett, second violin; Mrs. Wilby, viola; and Miss Mary Bucklin, cello. The minutes of each period from the seventeenth century will be played, and the audience will enjoy in turn that of Tartini, Boccherini, Beethoven, Haydn and Mozart. This promises to be an unusually attractive programme, as Dr. Prieswerck's quartette, consisting of Mrs. Bennett, second violin; Mrs. Wilby, viola; and Miss Mary Bucklin, cello.

## Gasoline Price Cut Cent a Gallon

Gasoline prices in British Columbia were cut one cent a gallon to-day. The new Victoria retail price is 26 cents, plus three cents government tax, or 29 cents a gallon at the filling stations. Ethyl gasoline is quoted at 33 cents a gallon.

The reduction here follows the sensational slump in oil prices in California where gasoline has fallen to 23 cents a gallon.

## Husbands Barred For Miss Victoria Bathing Beauties

To be a champion bathing beauty, one cannot be married. One of the girls of this city, noted for her fine features and figure, had this impression on her to-day, much to her disgust. Urged by some of her friends, this beauty entered the "Miss Victoria" competition under a pseudonym. The rules say that no married girls are allowed. "But rules are rules and even Victoria's prettiest girls have to obey them, at least sometimes," she was told when her identity was discovered and she had to admit that she had been to the altar.

## GRAIN INTERESTS AGREE TO TERMS OFFERED BY CITY

The directors' meeting of the Panama Pacific Grain Terminal Limited, held coincidentally with a gathering of shareholders at Regina last night, approved of the Victoria changes suggested in the grain elevator project. The following wire from J. A. Mooney, president of the company, was read to the City Council in session last night:

"Victoria agreement approved by enthusiastic meeting of shareholders. Contractors prepared to build as arranged. Stock sales increased value on prospect of favorable action by Victoria ratepayers. Anxious by-law passed by earliest date."

The wire was passed to the industrial committee for consideration. Before any by-law goes to the people, it was explained, the contracting parties would have to sign necessary agreements which would only become operative on a favorable vote of the ratepayers.

## GOVERNMENTS WILL STAGE EXHIBITS

Provincial and Federal Displays For Home Products Exhibition

Dairying, Poultry, Seed Culture, Vegetables and Flower Seeds Included

Dairy and farm produce with special reference to the points that will interest householders in stocking up for food purposes, as well as farmers actively engaged in production, will form the central ideas of an outstanding exhibit to be entered at the Home Products Exhibition by the B.C. Department of Agriculture.

At the same time the Provincial Forest Branch will stage a wonderful display in the interests of "Save the Forest" week. Last year this branch reproduced in miniature a complete section of burned-over woods, which, blackened stumps, desolate terrain and stunted life proved a most dramatic lesson in the interests of all care with fire in the woods. The exhibit this year will follow similar lines, but will be enlarged and improved.

### EGG EXHIBIT

Under Federal auspices Victoria householders will see a display of the proper handling of eggs, their commercial grades, and facts that should be known by all. This exhibit will be side by side with one from the poultry branch of the Federal Department, which will have an especial appeal to poultrymen, as well as to the general public.

In the Provincial agricultural Kootenay bazaar, in a model alary, samples of clover and heather honey will also be shown. In this display will be 360 varieties of seed, including a clever display of weed seeds arranged in their botanical families as a warning to farmers; grass seeds, arranged according to their agricultural value and soil suitability; also grain, fodder and root seeds recommended for British Columbia; 120 varieties of flower seeds, and a big display of vegetables, potato and other commercial stock.

Interest to Vancouver Island dairymen will be a unique exhibit of an enlarged milk bottle, containing samples of Island dairy products. Pictures of the Queen Alexandra Solarium, showing its work, will be displayed under the direction of Women's Institutes, by means of transparent panels included in the Provincial exhibits.

The displays of the Federal and Provincial branches, to be the Home Products Exhibition will be of an outstanding nature this year, and will take up almost the entire west wall of the Armory where the exhibition is to open on Monday.

A meeting of the executive committee of the May 24 celebration body will be held at the City Hall at 8 o'clock to-night. Alderman James Adam will take the chair. A two-day celebration with school sports on May 23 and an old-time May 24 at Deacon Hill are in the plans mooted for the affair.

## CARLOW-GAUTHIER INQUIRY TO START HERE THURSDAY

Investigation to be Pressed Forward Without Preliminary Delays

Farris and Pattullo Will Represent Cabinet Ministers Before Commission

Final preparations were completed to-day for the opening here to-morrow of Mr. Justice Morrison's Royal Commission on the Carlow-Gauthier charges, as sponsored by Conservative members of the Legislature.

J. W. deB. Farris, K.C., who, with J. B. Pattullo, K.C., will represent members of the Government before the Commission, arrived here this morning in preparation for the beginning of the inquiry in the Court House to-morrow morning. H. A. Maclean, K.C., will be counsel to the Commission, while George H. Cowan, K.C., will represent H. D. Twigg, M.P.P., who preferred allegations against Cabinet Ministers.

### CARLOW CHARGES FIRST

Charges sworn to in an affidavit by Frank Carlow of Victoria will be investigated by the Commission first, while the Gauthier charges will come up for consideration next Tuesday before the same tribunal but as a separate question.

Members of the Government are anxious to press the investigation ahead without delay and for this reason no formal opening session is planned for to-morrow. Instead, taking of evidence will get under way immediately. It is expected the Carlow inquiry will be finished in about two or three days while the Gauthier matter will require about the same time, it is believed.

## GAME BOARD FRAMES NEW TWO-DISTRICT ENFORCEMENT PLAN

West and East of Cascades to Form Two Areas For All Open Seasons

Old Confusion to be Eliminated By New Scheme of Law Uniformity

Based on a consolidation of game districts, new regulations, fixing the open seasons for various species of game this year, are under preparation by the Game Conservation Board here now, following conferences with sportsmen in Vancouver recently.

For the purpose of game administration in future the several districts formerly fixed in the enforcement of open seasons have been abolished and two main districts substituted for them. One of these comprises all territory west of the Cascade Mountains and the other the remainder of the Province.

### WILL ELIMINATE CONFUSION

This radical change in game policy is designed to eliminate confusion over game seasons on either side of various imaginary lines. In future, with the Cascade mountains separating the two game districts sportsmen will have no difficulty in knowing when and where they are allowed to shoot. The Cascades were selected for the boundary line as climatic conditions on either side of this range differ and affect game life directly. In the past seasons have varied from district to district according to climate. As the spread between the various seasons on any one animal never exceeded two weeks, game board experts decided that these distinctions, except as between the Coast and the interior, could well be eliminated altogether.

## W. A. BRETHOUR WINS SUIT OVER GUIDE

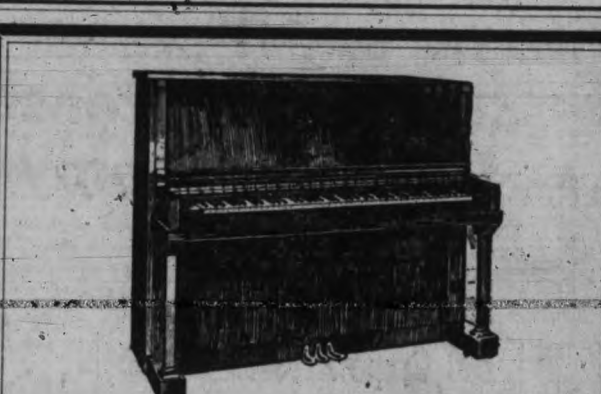

Successful in Supreme Court Action Against J. D. O'Connell

Clearing up a case which has been before the courts for months, W. A. Brethour, to-day won his action against J. D. O'Connell, formerly of Victoria and Vancouver, and now of Calgary, when Mr. Justice W. A. Macdonald in the Supreme Court gave judgment awarding Mr. Brethour the full amount of his claim of \$1,822.50 against Mr. O'Connell.

The case involved the affairs of the Red Book Pictorial and Motor Tourist Guide which was published by Brethour & O'Connell two years ago and covered the highest peaks and resorts of the whole Pacific Coast from Campbell River and Vancouver down to La Jolla. The publication besides its road maps and log, which included a photograph of every mile of the whole highway, carried advertising announcements from the chief business firms and resorts from the Mexican boundary up into Canada.

Under the judgment, Mr. O'Connell has to assume the financial liabilities which Mr. Brethour claimed he had been carrying since Mr. O'Connell left Victoria, and to liquidate the amounts owing with monthly payment under court order.

Mr. O'Connell arrived in Victoria yesterday from Calgary to put in a personal appearance here during the trial.

## The "Craig"

### Canada's Supreme Piano

#### Value at \$395

On Easy Terms

You will be unfair to yourself if you choose any other piano without seeing the "Craig." It is an instrument of exceptionally fine quality and finish at a sensationally low price.

whether they had the right to sell confectionery containing alcohol as they claimed. The main purpose of the court actions was to establish the claim of the Liquor Control Board that the sale of these candies was illegal. This having been accomplished, and the traffic in liquor candy having been abolished completely, the Government felt that the heavy penalties levied on the companies involved might well be mitigated.

## HOCKEY, BOXING

## All-star Football Eleven Will Oppose All-Canadian Team

Lower Island Association Will Pick Side For Exhibition Game Here May 4

Two Games Saturday; Wests Meet Esquimalt, Thistles Play James Island

Leaders in lower island football circles will be confronted with the job of picking an all-star Victoria team once more. The eleven is to be selected for the purpose of opposing the All-Canadian team, which is to tour New Zealand. The game will be played here on Wednesday, May 4, prior to the departure of the tourists for "down under."

The Canadian team is to assemble in Calgary next week and Jimmy Adams, the manager, will leave here within a few days to take hold of the squad. The team is billed to play four games before sailing, one in Calgary, a second in Vancouver, possibly a third in Nanaimo, and the fourth in Victoria.

It is possible that an exhibition game between two picked sides will be played one week from Saturday for the purpose of picking an eleven to oppose the Canadians. Some of the fans would like to see some of the Wednesday League players given a chance to make good on an all-star local club.

Two First Division soccer games will be played on Saturday afternoon. Both will be staged at the Royal Athletic Park and the draw is as follows:

2:15 p.m.—Esquimalt vs. Victoria Wests; referee, Swan.

4 p.m.—James Island vs. Saanich Thistles; referee, Saunders.

Last week Esquimalt met defeat at the hands of the Saanich Thistles, and now the greenies are anxious to turn the tables on the dockers. A good game should result.

James Island and the Saanich Thistles are both seeking a victory in the first of the season.

The Thistles keyed up over their victory last week are anxious to make it two straight.

Junior and juvenile games for Saturday are as follows:

JUNIOR LEAGUE

Five C's vs. Ex-High United.

JUVENILE LEAGUE

Saanich "A" vs. Burnside Thistles.

James Bay vs. Saanich "B."

Esquimalt vs. Three C's.

North Oak Midgets vs. Saanich Thistles.

## Pigeon Racing

The Victoria and District Racing Pigeon Club, which has been the big race on Saturday from Bremerton, Washington, an air line of seventy miles, 175 birds competing from twenty lofts. The following are the results and times of arrivals:

R. Rickson's Margaret, 2 h., 5 m., 45 s.

Stewart & Sons' Tacoma Cock, 2 h., 6 m., 33 s.

Grimston's What Ho, 2 h., 6 m., 35 s.

J. H. Framton's Gold Seeker, 2 h., 7 m., 54 s.

H. Saville's Blossom Time, 2 h., 7 m., 54 s.

R. Margeson's Plumber, 2 h., 8 m., 25 s.

R. Barrie's Gold, 2 h., 8 m., 21 s.

R. P. Green's Silver, 2 h., 12 m., 1 s.

W. R. Tait's Blue Sunday, 2 h., 21 m., 41 s.

W. Simpson's Two Bits, 2 h., 22 m., 63 s.

W. Bryan's Eye Bright, 2 h., 23 m., 3 s.

T. Crossman's Reading Cock, 2 h., 25 m., 51 s.

S. Knott's Blue Bird, 2 h., 24 m., 40 m., 5 s.

D. Kelly's Silver O, 2 h., 25 m., 60 s.

J. Dion's Koko, 2 h., 27 m., 31 s.

N. Rowe's Barcelona Lass, 2 h., 40 m., 5 s.

R. H. Green's Surprise, 2 h., 32 m., 11 s.

The next race will be from Olympia, Washington, on Saturday, April 23.

Nanaimo, April 20.—On Sunday, the Nanaimo Pigeon Club held its third race of the season from Everett, Washington, an air-line distance of one hundred and nine miles. The results were: T. Naylor, Nanaimo, 3 hours, 2 minutes, 48 seconds; J. Reinhard, Northfield, 3 hours, 15 minutes, 20 seconds; E. Peeters, Ladysmith, 3 hours, 17 minutes, 40 seconds; T. Wilkinson, Nanaimo, 3 hours, 25 minutes, 58 seconds; S. Thompson, Nanaimo, 3 hours, 26 minutes, 34 seconds; R. Whiskers, Ladysmith, 3 hours, 28 minutes, 23 seconds; S. Russell, Northfield, 3 hours, 29 minutes, 40 seconds.

Mr. and Mrs. Robinson Win in Duncan Golf

Duncan, April 20.—Fourteen couples entered for the mixed foursomes competition held on the Duncan golf links on Easter Monday. Mr. and Mrs. J. S. Robinson were the winners; Mrs. Morton and H. C. Brock, second, and Miss Robertson and W. B. Harper, third. Others competing were: Mr. K. P. Duncan and A. H. Peterson, Mrs. A. H. Peterson and St. G. H. Steppay, Mrs. Boyd Wallis and W. W. Bundock, Mrs. P. R. Godding and W. Morton, Mrs. H. C. Brock and T. Kingscott, Mr. and Mrs. W. L. B. Young, Mrs. J. C. Allen and W. M. MacLachlan, Miss Kennington and B. Hope, Miss Peel and J. Ford, Mrs. W. B. Harper and K. P. Duncan, Miss Tarlton and Dr. D. E. Kerr.

## ROAD TOO HOT

JOHNNY MILLER

Last year's champion of the Boston marathon, had to drop out yesterday. His feet could not stand the hot roads.

## Another Marathon Star Rises Out Of Long Boston Race

Cliff Bricker of Galt Finishes Fourth After Miles Forced to Quit Grind

Rode Bicycle to Boston to Enter; Terrific Heat Hurt Feet of Many Runners

Boston, April 20.—Cliff Bricker of Galt, Ont., the newest contribution of Canada to the long-distance running game, who, running the first full distance marathon of his career, fought his way to fourth place in the thirty-first annual Boston marathon yesterday, bicycled down here with his chum, Billy Reynolds, to carry the colors of their home "Y" in the big sporting classic. Bricker was only twenty minutes behind the winner, Clarence De Mar of Boston. Reynolds came through to place eleventh after leading his team late a good part of the way. Bricker is the Canadian five-mile champion.

The fourteen Canadian entries in the race will be entertained by the Boston Canadian Club at luncheon. Officials of the race had high praise for Johnny Miles, the Nova Scotia lad, marathon favorite, who had to withdraw after covering five miles.

"He knew that to-day's unusually hot weather was not going to help him and he was square enough to face it," one official remarked. Bricker set his heart on victory as a stepping stone to the Olympics next year, and although his disappointment must have been keen, he gave up with the remark: "It just isn't my kind of a day, but there are other days coming."

With Miles out of the running it developed on Bricker to step into the breach.

Carl Linder, of the B.A.A., the 1919 winner, was sixth, and another Canadian and former winner, Edouard Fabre, an old favorite among Boston race followers, coasted in. Fabre, still wearing the colors of the North Branch Y.M.C.A., of Montreal, which he carried to victory in 1919, was the first of the three North Branch men whose combined score gave them the team prize offered each year by the B.A.A.

George Bird and Henri B. Benoit, fifteenth and twentieth, were the only two, giving the North Branch the only team to finish three men in the race.

The heat yesterday furnished the worst conditions for the runners' feet since 1910, officials said. Scores of contestants went off with feet raw and blistered, inside, sweat-soaked shoes. Miles was one of the victims, and not all the leaders escaped unscathed. Road surfaces were boiled in a slick tar paste and runners were forced to sidestep to make progress. Despite the killing heat, all finishers showed a good heart and fighting conditions, and Demar lost only six pounds. Kennedy dropped ten, but he was perhaps the highest of the first eight prize winners.

Gold, silver and bronze national A.A.U. medals went to the first three men. The B.A.A. gave prizes to the first eight and souvenirs to the first twenty-five, as well as the team prize.

How they finished:

No. 1—Clarence H. Demar, Melrose Post A.C., 2:40:22 1-5.

No. 2—Karl Koski, Finnish-American A.C., New York, 2:44:41.

No. 3—William Kennedy, Cygnets A.C., Port Chester, N.Y., 2:51:58.

No. 4—Clifford Bricker, Galt, Ont., 3:00:54.

No. 5—Carl Linder, Boston A.C., 3:02:21.

No. 6—Edouard Fabre, North Branch Y.M.C.A., Montreal.

## Mighty Fall When Lowly Teams Ride And Cut Up Capers

Boston Red Sox Win First Game of Season and Cause Yankees to Lose First

Boston Braves Beat Giants Twice; Two St. Louis Teams Win; Athletics Succeed

New York, April 20.—In a big league pennant race the top team is not much more than the length of a bat ahead of the club on the bottom, as the New York Yankees will inform you ruefully to-day.

Breezing along unbeaten through seven games, the leaders of the younger circuit felt as potent as Achilles yesterday. Then somebody reached from the basement with a bat and banged Achilles on the heel.

When the mighty finally fell it was the Boston Red Sox who did the felling, and it was their first victory in seven starts as it was the Yankees' first defeat. The score was 6-3 and the best baseball of the day was produced, not by the bats of Ruth and his fellow heavy hitters, but by the good left-mitt of young Wilkie. That mighty hand was stinky and cut off the Yankees' heavy blows.

Incidentally New York broke a string of forty-five straight innings without an error when Koening fumbled a fast one for his own first bobble of the season.

## BRAVES TREAT GIANTS ROUGH

Another band of giant killers from Boston was on the warpath yesterday and the giants they smote in the eye were the well-known athletes from New York. As though once was not enough, the Braves did it once in the morning 9-5 and again in the afternoon 4-1.

It was a happy day for the down-trodden. There were those who shook their heads in doubt when the Philadelphia Athletics opened the season with a losing streak, but the Athletics played ball yesterday to beat the Senators 3-1, although they were outlived. With a flash of his old-time speed and racing, Ty Cobb came sliding home in the sixth with the final run of a triple steal.

The St. Louis Cardinals, too, began to get up a little. In the morning they started and banged out twelve heavy hits, two of which were homers by Bottomley and Hafez. "Sunny Jim" also slipped in a triple as his hit in the rout of the Reds, 9-1.

St. Louis, like Boston, made it unanimous yesterday, and her Browns smacked out twelve hits to beat the White Sox 7-5.

Three heartbreaking errors by Cleveland lost them their game with the Detroit Tigers, 5-5, and the Brooklyn Robins, declining to join the fray, lost to the Rangers, 12-0.

The Chicago-Pittsburgh game at Chicago was rained out.

Pittsburgh-Chicago game postponed—rain.

## COAST LEAGUE

Los Angeles, April 20.—League-leading Sacramento went on a batting rampage here yesterday to humble Los Angeles 14 to 7 in the series opener. The Senators bunched hits off Moss and Miles in the second, third and fifth, to pile up 13 of their runs. McLaughlin hit a homer with two one bases in the fifth.

At Sacramento..... R. H. E.  
Sacramento..... 14 18 4  
Los Angeles..... 7 14 3

Batteries—Kallio and Severeid; Moss, Miles, Holmes and Sanberg.

Seattle, April 20.—The plans of Seattle were all upset yesterday when Hollywood pounded two Indian pitchers for seventeen hits, to win 19 to 3. After playing top notchers for three weeks the Indians figured it would be a fine chance to climb the league ladder this week at the expense of the trailing Stars. Hollywood however, had different ideas.

Hollywood..... R. H. E.  
Hollywood..... 19 16 0  
Seattle..... 3 13 4

Batteries—McCabe and Murphy; Miljus Peters and Schmidt.

Portland, April 20.—Portland

## ENTERS PENN RELAYS AGAIN

Lord Burghley of Cambridge, Eng., Will Attempt to Capture Honors in 120-yard High Hurdles

LORD BURGHELEY

Here's Lord Burghley, Cambridge's titled hurdler, clearing a hurdle in characteristic style. He will participate in the Penn Relay Carnival of Philadelphia this month. Lord Burghley recently won the low and high hurdles in the fifty-ninth annual meet of the Queen's Club, London. His time in the high borders around 15 seconds. He won in the U.S. at a previous meet.

## Victoria Golf Club To Proceed With Construction Of \$30,000 New Clubhouse At Early Date

Construction of a new clubhouse at the Victoria Golf Club to cost \$30,000, will be commenced at an early date.

At the annual meeting of the club held last evening in the Belmont Building the report of the special committee appointed to investigate the question of the new clubhouse, was adopted and authorization was given for the actual construction work to be started soon. Tenders have been considered and the formal award of the contract will be made shortly.

The new clubhouse will be erected on the site of the present quarters, which will be torn down and a temporary structure erected. The new clubhouse will take several months to construct.

Charles F. Todd was re-elected to the presidency of the club and J. D. Virtue was re-elected captain. The members of the committee elected were as follows: Robert Baird, H. G. Garrett, L. H. Hardie, J. M. Hedley, A. D. King, A. S. G. Musgrave, Hew Paterson, H. H. Shandley and R. B. Wilson.

opened the series against the Missions yesterday with a 2 to 2 win.

Kinney, left-hander, had the visitors baffled in every inning, but the fifth, when they bunched three hits for two runs. Paul Strand, for Portland, was the ruminator of Barfoot, with a homer into the left field stand in the sixth with one on.

Missions..... R. H. E.  
Portland..... 2 7 0  
Missions..... 2 7 0

Batteries—Barfoot and Walters; Kinney and Wendell.

San Francisco, April 20.—Oakland nosed out San Francisco 7 to 6 in ten innings of bitterly contested ball, marked by a near riot in the sixth frame. The disturbance came during a Seal rally, all of their runs being chalked up in that inning. Umpire Crooke called a man safe at third, and the Oaks led by Manager Howard and charged him. Peace followed after ten minutes wrangling.

Oakland..... R. H. E.  
Oakland..... 7 9 2  
San Francisco..... 6 11 2

Batteries—Dickerman, Delaney, Gould and Boal; Williams, Kunz, Moudy and Vargas. Ten innings were played.

## LOTT EXTENDED

White Sulphur Springs, W. Va., April 20.—George M. Lott Jr. of Chicago, recent conqueror of "Big Bill" Tilden, was extended to three sets by Hugh Miller, Union College professor, in winning his second round match in the annual Mason and Dixon tennis tournament on the Green Brier Courts yesterday.

The youth took the match 6-2, 6-5, 6-2.

## Ball Teams Will Compete This Year For Poodle Dog Cup

Another Beautiful Trophy Being Donated For City Amateur Championship

Port Angeles Club Will Most Likely Be Here on May 24 For Double-header

Victoria senior amateur baseball teams will again compete for a massive Poodle Dog Cup this season. At a meeting of the league executive held last night in the Y.M.C.A. with President Hunter presiding, it was announced that the Poodle Dog Cafe would donate another trophy this season. Last year they presented a beautiful cup that was won by the United Commercial Travelers.

Baseball fans will have plenty of entertainment on May 24, if plans now being made by the league officials go through. The league intends to bring the crack team of the Washington Pulp and Paper Company from Port Angeles over for a double-header, one game to be played in the morning and the second in the afternoon. The visitors will be opposed by an All-Star nine picked from the three local clubs, by the Board of Governors.

## THEY'RE ALL GOING TO WIN

Managers of the three clubs, when questioned last night as to how their teams were lining up, all expressed the opinion they were at the head of this year's champions.

Tommy Bowden, who is looking after the interests of the Travelers is known to have signed several of last year's players including, Colin Campbell, Roy Copas, Norm Forbes, Art Webster, Herb Cummings, Jim D'Arcy, Martin Cotte, Jack Noble and Jim Dangelier.

The Sons, under Cy Milne, have lined up the following players: Murr Dunn, Jimmy Cummings, Ray Parfitt, Belcher, Stanyar, Massey, a newcomer to this city, and Bill Holman. Bobby Ross, who is managing the Eagles this year, has the following players on his roster: Ross Oatman, George Gandy, Tommy Waechter, Johnny Kerr, Art Sargent, Johnny Leach, and Jack Spence.

Season tickets are now on sale and judging by the advance sale, another successful year is ahead of the senior baseballers.

## HORSE RACING

Salt Lake, April 20.—Results of racing here yesterday commenced. First race, four and one-half furlongs—1, Hakey, 2, 34.40; 3, Lawrence, 5, 44.80; 3, Polly Thorpe, 34.50. Time 54-2-4.

Second race, four and one-half furlongs—1, Heather Honey, 37.60, 34.40; 2, Vineyard, 44.80, 32.20; 3, Stanford, 43. Time 57-2-5.

Third race, four and one-half furlongs—1, Wynnwood, 42.50, 35.20; 2, Snopcap, 37.60, 32.50; 3, Shafe, 32.60. Time 55-2.

Fourth race, five furlongs—1, John Hooper, 41.60, 35-0; 2, Tamm, 34.40, 32.60; 3, Olympian King, 34. Time 1-04.

Fifth race, five furlongs—1, All Mum, 44.60, 34.40; 2, Aurania, 34.40, 32.60; 3, Miss Emerson, 32.60. Time 1-04.

Sixth race, seven furlongs—1, Barn Dollar, 47.40, 34.40; 2, Couer De Lion, 35, 32.20; 3, Mabel Krupp, 37.40. Time 1-23-2-5.

Seventh race, one mile and one-eighth—1, Wynnwood, 112.50, 85.20; 2, Snopcap, 87.60, 82.50; 3, Shafe, 82.60. Time 2-52.

Chicago, April 20.—Radio description of horse racing will give a trial when the Illinois racing season of more than six months opens tomorrow at Aurora.

## Roller Hockey

The playoffs for the roller hockey city championships will commence on Friday evening at the Victoria West gymnasium at 7:30 o'clock.

The teams eligible for the playoffs are as follows:

Junior division—Paul Bay Cougars, Saanich Rovers, Times, Dreadnaughts and Ross Bay Monarchs.

Intermediate—Paul Bay Monarchs, Victoria West, St. Pats and Ross Bay.

Seniors—Colonist and St. Pats.

All of the junior and intermediate teams are requested to be present Friday evening as the draw for the preliminary games will be made at that time and three games played that evening.

The semi-finals and finals are to be played during the following week.

## Foley Meets Snell

Vancouver, B.C., April 20.—Vic Foley and Doc Snell, the slugging druggist, are all set to battle it out here Friday night over the ten-round fight for the right to meet champion Ted Morgan in a world's title bout.

Both are outstanding contenders for Morgan's crown. Snell's claims perhaps are better than Foley's owing to his recent triumph over Jimmy McLarnin, King Street, "Wildcat" Carter and a score of other top-notch battlers, and he has been installed a slight favorite over the Vancouver boy.

Both battlers are under forfeit to weigh in under the required junior lightweight limit of 130 pounds, and this night will in all probability give Snell the advantage as Foley will not weigh over 128.

## TIGERS' FIELD BOSS

LU BLUE

The Detroit club of the American League has a field captain once more. When Ty Cobb took over the management of the club, the position of captain was done away with. With George Moriarty as pilot, the captain staff has been restored and the honor has been given to First Baseman Lu Blue.

## Olympic Champions Wind Up Game With Free-for-all Fight

Uruguay Football Team in Another Disgraceful Exhibition in United States

New York, April 20.—Flying fists have figured in three of the seven games played by the Uruguay National soccer team touring this country and the game at Malden yesterday was the second to wind up in a free-for-all manner.

After an outbreak at Newark March 27, when police riot squads were called to stop the fighting, Don Jose Richling, Consul-General of Uruguay, had a long parley with the players, after which he gave assurance there would be no trouble. The Uruguayans pleaded misunderstanding of the American rules under which they thought they were being cheated.

Games since then were hard fought, but mingled with the mix-up at Malden.

## STARTED TROUBLE

The same Uruguay player who struck the first blow yesterday started the fracas at Newark, officials said. He is "Stearns," making right claims he had been fouled, he caught a Newark player on the jaw, and the fighting became general, three spectators receiving injuries.

Previously, in the second game, the visitors played in this country, Petrone, centre, was ordered off the field after exchanging blows with a rival player.

The Olympic champions won three, lost one and tied two of their games previous to yesterday, and it was in the closest contest that fighting occurred.

## Edmonton Grads Are Little Too Good For Toronto Lakesides

Western Women's Basketball Champions Win First Game of Series in East

Toronto, April 20.—Edmonton Grads, ladies' basketball team, defeated Lakesides of Toronto, Eastern Canada champions, at the Arena Gardens last night, 34 to 24, in the first of a two-game series for the Dominion title.

The Grads won on their merits, having a distinct edge over the locals at all stages. The winners were far superior at combination play.

Edmonton went to the front in the first quarter but Lakesides rallied strongly and at half time were leading 14-13. The Grads commenced the second half with a dashing combination attack which literally smothered Toronto. The third quarter ended 24-9. Lakesides practically held their own in the final quarter in territorial play but better shooting kept them from retarding the Gr

# LAILA

A Tale of the Days of Christ, by John Newport.  
(Copyright, 1926, by Eugene MacLean)

"This money came from Jared's ransom?" he asked, sternly.

"It did," responded Antonius, placing the gold under his head-cushion. "I am a soldier, and used to supplying my wants."

"And all that is left for Maryam, and her mother, and her household—is that single piece of gold?" continued the shepherd.

"That's all I know about," said Antonius, carelessly. "Go ahead with the drawing of my leg—it will be dark before you are through."

Aaron slowly stooped, and thrust his hand under the cushion that supported Antonius' head.

"Here," shouted the soldier, grasping the shepherd's wrist. "What are you doing?"

"Restoring this gold to its owner," replied the old man.

Antonius was younger, hardened by the exercise of war. But Aaron's muscles were very and very strong. He placed his knee on the soldier's chest, and with a quick, powerful wrench, freed his arms. There was a quick struggle. At the end, Aaron stood outside the door, holding the two pieces of gold.

Antonius, panting, was half in his bed, half out of it, supporting himself by one hand placed upon the floor.

His sword had clattered to the ground in the brief combat. He reached for it, and the shepherd slowly relined.

"For what you did in behalf of Jared's family," said the shepherd, "I forgive you the theft of his money. But the gold shall be restored to its owner."

Antonius' sword, whipped from its sheath by a lightning motion of the soldier's hand, whistled past Aaron's head.

The old man turned, went to the puddle into which the sword had fallen, picked up the weapon, and returned slowly to the door. Antonius was balancing his dagger, as if about to throw it. The shepherd spread his hands.

"I came to you in peace," he said. "And peace be with you. Do not hurl the dagger, or you will be hurt with a weapon. I do not fear you—I, too, served as a soldier. In the wars against Caesar, Parthians."

He walked away, holding Antonius' sword across his arm. The soldier raised his hand to throw the dagger at the retreating man, but thought better of it. Instead, after an instant's hesitation, he called, loudly: "Aaron!"

The shepherd did not turn, nor breathe.

"Aaron!" shouted Antonius again. The old man kept upon his way, erect and unhurried, until the soldier lost sight of him, far in the distance.

Antonius' head and shoulders were wet from the rain, and his injured leg was uncovered. He shivered, and drew his bed-clothes over him. After a careful exploration of his thigh with his hands, he sighed in relief. Apparently the bone had not again been broken in his fight with Aaron.

He lifted the wine jar and took another deep draught for warmth. His sword was gone. He took the sheath and threw it angrily into a far corner of the room. Then, with much effort, he pushed his bed backward, thrusting with his hands against the sides of the door. The protesting curtain dropped, after several vain efforts to dislodge it, and Antonius lay in the dark, alone.

He slept comfortably enough that night, and awakened in the morning to discover another dismal, dripping day.

The morning went, and then the long hours after noon. No one came near him. Some villagers went by, and he shouted at them. They only cast half-frightened glances in his direction, and hurried.

"That shepherd has been bearing tales," growled Antonius to himself. He consumed the food that Maryam had laid out for him, all but one bit of the shoulder of lamb.

Night came again, and another morning. Antonius finished his meal as soon as he awakened, and worked the head of his bed through the doorway. He observed that the villagers made a wide circle as they plodded past him through the rain, which had not ceased to fall.

"I am hungry!" he called, more than once, toward a wayfarer. His cry met with no response.

"Jupiter!" he said to himself. "When I am well again I'll make them groan for this!"

The day went by, and then a long night, during which he tossed restlessly, conscious of his empty stomach.

The sun was shining, through a heavy mist, when the next morning came. Antonius sat up, drew his mantle about his shoulders, lowered himself to the ground, and with grim

## Another Perfectly Satisfied User

What Mrs. J. Howard Says of Dodd's Kidney Pills

Quebec Lady States They Relieved Her of Pains in the Kidneys

St. Charles Caplan, Que., April 19—(Special).

Another tribute of the great work Dodd's Kidney Pills are doing for the women of Canada comes from Mrs. John Howard, well known and highly respected here.

"I cannot find a better remedy than Dodd's Kidney Pills. I often had pains in my kidneys and tried several remedies but never found any relief. Two boxes of Dodd's Kidney Pills sufficed to relieve me. I recommend them to all my friends who do not know of them. I am more than satisfied."

Look out for symptoms such as puffiness under the eyes, swollen feet or ankles, scalding pains and other disorders. These symptoms usually precede attacks of Rheumatism, Backache, Sciatica or serious kidney trouble and much suffering can be saved by quickly getting Dodd's Kidney Pills.

Obtained from all druggists, or The Dodd's Medicine Company Limited, Toronto 2, Ont. (Advt.)

peppermint candy grows in the woods. But we can first stop at the store to buy you some candy and then go to the woods to find an adventure."

"That will be fine!" joyfully shouted Dazie. Soon she and Uncle Wiggily were at the store, but, sad to say, they were all out of peppermint candy.

"We have some molasses candy, though," explained the little mouse girl clerk behind the counter. "And you could tip that in peppermint juice and it would then be peppermint candy."

"Oh, I couldn't do that!" exclaimed Dazie. "I don't know how to make peppermint juice."

"Well, take half a pound of molasses candy," he told the mouse girl clerk. "And when we get to the woods, the rabbit went on to Dazie, 'I'll make it peppermint for you.'"

"I don't see how you can do it!" murmured the little Woggieles.

"You shall soon see!" promised Uncle Wiggily.

It did not take him and Dazie long to reach the woods. There, on the bank of a little brook grew some dark green leaves, and no sooner had Uncle Wiggily picked a few than Dazie cried:

"Oh, I smell peppermint!"

"No wonder," replied the rabbit. "These green leaves are off the peppermint plant. I will squeeze some

of their juice into a cup and when you put a few drops of the juice of the leaves on your molasses candy, you'll have as fine a peppermint stick as heart could wish."

"Wonderful!" exclaimed Dazie. "But where will you get a cup?"

"An acorn cup will do for that," said the rabbit. In the woods grew oak trees and on the ground were many acorns that had fallen off last year. Taking the top of one of these acorns, which was shaped like a little cup, Uncle Wiggily squeezed into it some juice from the peppermint leaves.

"Don't put too much peppermint on your molasses candy," he warned the

Woggieles girl. "It is very strong and may burn your tongue."

"I'll be careful," promised Dazie. So she only put a little of the leaf juice on her molasses candy and, surely enough, she had molasses peppermint as fine as heart could wish.

Uncle Wiggily ate a little, too, and then, all of a sudden, out of the bushes jumped the Bushy Bear.

"I'm going to bite somebody!" he roared.

"Here, bite this!" cried Uncle Wiggily. He flung the acorn cup of strong peppermint juice into the open mouth of the bear.

"Oh, wowwie! How my tongue burns!" howled the bad chap, and

down the hill he ran, making his funny little tail go around like a pin wheel on Fourth of July.

"Good for you, Uncle Wiggily!" cried Dazie. Then the bunny made more peppermint juice for the molasses candy. And if the kitchen sink will let the dish rag play tag with the cake of soap, I'll tell you next about Uncle Wiggily's spearmin't gum.

**ATTEMPTED MURDER CHARGE IN VANCOUVER**

Vancouver, April 19.—Charged with having attempted to murder K. Ikada, who was attacked and seriously

wounded with an axe while walking in a lane near the waterfront here last Sunday night, T. Matsuo, a fireman on the steamship Cardena, was taken into custody late yesterday afternoon. He is to appear in police court to-morrow.

Ikada is lying in a hospital suffering from a fracture of the skull. He has a serious wound on the left side of the head. Hospital authorities this morning reported his condition unchanged.

The injured man is also a fireman on the steamship Cardena. It is said, and police believe the trouble between the two men was the culmination of a dispute over their work.
